FIRST AMENDED JOINT PLAN OF LIQUIDATION (MARCH 22 JUNE 3, 2024) 159188850.1

I. INTRODUCTION

The Litigation Practice Group P.C. ("<u>Debtor</u>") is the Debtor in this Bankruptcy Case. On March 20, 2023 ("<u>Petition Date</u>"), Debtor commenced the Bankruptcy Case by filing a voluntary petition under Chapter 11 of Title 11 of the United States Code (as now in effect or hereafter amended, "<u>Bankruptcy Code</u>"). This document is a Joint Plan of Liquidation (as may be altered, amended, modified, or supplemented from time to time, "<u>Plan</u>") that is jointly proposed by the chapter 11 bankruptcy trustee, Richard A. Marshack ("<u>Trustee</u>"), and the Official Committee of Unsecured Creditors ("<u>Committee</u>" and, together with the Trustee, the "<u>Plan Proponents</u>").

The Plan Proponents propose the Plan, pursuant to § 1129 of the Bankruptcy Code. The Plan Proponents are the proponents of the Plan, within the meaning of § 1129 of the Bankruptcy Code. Capitalized terms used in this Plan have the meanings ascribed to such terms in Article VI of the Plan.

The purpose of this Plan is to provide for the liquidation of Debtor's assets including the prosecution of Litigation Claims to generate funds from which distributions can be paid to creditors. The Effective Date of this Plan will be the date that is the first Business Day which is at least 14 days after the following: entry of a Confirmation Order and satisfaction or waiver of all conditions to the occurrence of the Effective Date, as set forth in Article IV of the Plan.

Since the Petition Date, the Plan Proponents, and their respective professionals, have worked tirelessly to develop a plan that would maximize the value of the Debtor's Estate for the benefit of creditors and minimize the amount of time spent in chapter 11. After extensive negotiations, the Trustee and the Committee have reached agreement on the terms of this Plan.

The Plan Proponents believe that the Plan presents the best path forward and is in the best interests of the Debtor, the Estate, its creditors, and all parties in interest. The Plan is premised on the creation of the Liquidation Trust, which will succeed to all rights, interests, and property of the Debtor and the Estate. If confirmed, the Plan will transfer to the Liquidating Trust all assets of the Estate, including proceeds from any pre-Effective Date sales and Causes of Action of the Debtor's Estate, that are not distributed under the Plan as of the Effective Date. The Committee has agreed that Richard A. Marshack shall serve as the Liquidating Trustee, subject to an Oversight Committee comprised of

Committee members, as more particularly described in the Liquidating Trust Agreement. The Liquidating Trustee will be tasked with, among other things, monetizing the Debtor's remaining Assets and making Distributions to Holders of Allowed General Unsecured Claims in Class 3 (who will be beneficiaries of the Liquidating Trust). The Plan Proponents believe that the Plan is in the best interest of the Debtor's Estate and all stakeholders, and recommend that all Holders of Claims entitled to vote, vote in favor of the Plan.

Subject to the restrictions on modifications set forth in § 1127 of the Bankruptcy Code and Bankruptcy Rule 9019, the Plan Proponents expressly reserve the right to alter, amend, or modify the Plan one or more times before substantial consummation.

A disclosure statement is a document which explains the terms of a Chapter 11 plan. In this case, the Court approved a disclosure statement ("<u>Disclosure Statement</u>") at a hearing held on _______, May 15, 2024. Holders of Claims and Interests should refer to the Disclosure Statement for a discussion of the Debtor's history, business, assets, results of operations, historical financial information, projections, any future operations, as well as a summary and description of this Plan including related matters.³

ALL HOLDERS OF CLAIMS AND INTERESTS, TO THE EXTENT APPLICABLE, ARE ENCOURAGED TO CAREFULLY READ THE PLAN AND THE DISCLOSURE STATEMENT IN THEIR ENTIRETY BEFORE VOTING TO ACCEPT OR REJECT THE PLAN.

II. PLAN SUMMARY

This Plan constitutes a liquidating chapter 11 plan for the Debtor's Estate and provides for distribution of the assets of the Debtor's Estate that are already liquidated, or will be liquidated over time, to Holders of Allowed Claims in accordance with the terms of the Plan and the priority provisions of the Bankruptcy Code. The Liquidation Trustee will implement the terms of the Plan and make distributions in accordance with the terms of the Plan and the Liquidating Trust Agreement. Except as otherwise provided by Order of the Bankruptcy Court, distributions will occur at various

³ To the extent there are any capitalized terms used in this Plan that are not defined in this Plan but are defined in the Disclosure Statement, those terms shall have the same definitions as contained in the Disclosure Statement.

Case 8:23-bk-10571-SC Doc 1277-1 Filed 06/03/24 Entered 06/03/24 17:01:02 Desc Exhibit Exhibits A and B Page 10 of 165

intervals after the Effective Date as determined by the Liquidation Trustee. Upon confirmation of the Plan, a Liquidating Trust will be created to hold, collect, distribute, liquidate, and otherwise dispose of all funds, property, claims, rights, and causes of action of the Debtor and its Estate that are not distributed under the Plan as of the Effective Date.

The beneficiaries of the Liquidating Trust will be Debtor's creditors which are grouped into various classes as set forth in detail below.

The Liquidating Trust shall be a creditors' liquidating trust for all purposes, including § 301.7701-4(d) of the Treasury Regulations, and is intended to be treated as a grantor trust for federal income tax purposes. Debtor will not be engaging in further business and will be dissolved.

Class 1 consists of potential secured claims. Each such secured creditor is placed into its own sub-class (i.e. Class 1A, Class 1B, etc.) and will receive the treatment provided for such sub-class in the Plan. Each of the Class 1 claims are Disputed Claims and will be resolved in accordance with this Plan.

Class 2 consists of all priority unsecured claims that are set forth in §§ 507(a), (4), (5), (6), and (7) of the Bankruptcy Code.⁴ Each class of similarly-situated priority claims will be paid in the order specified in § 507(a) of the Bankruptcy Code. All Allowed Priority Claims will be paid in full before any distributions are made to Classes 3-5.

Class 3 consists of all Allowed, Non-Priority General Unsecured Claims other than claims that are Class 4 Subordinated Claims or Class 5 Interests in the Debtor. The deadline to file any prepetition claim, including a Class 3 Claim, was February 23, 2024, at 4:00 p.m., except as provided for certain limited parties, pursuant to that certain modification order [Docket No. 963]. The total amount of Class 3 Allowed Claims will not be known until after the resolution of any objections filed with respect to any such claims.

Class 4 under this Plan consists of all claims that are Subordinated Claims under 11 U.S.C.

⁴ There are other types of claims entitled to priority under § 507(a) of the Bankruptcy Code. The Plan

Proponents, however, do not believe that there are any such creditors in this case. If any timely-filed proofs of claim assert priority under any other section and such claims are allowed, the Plan Proponents will revise the Plan to include such classes.

Case 8:23-bk-10571-SC Doc 1277-1 Filed 06/03/24 Entered 06/03/24 17:01:02 Desc Exhibit Exhibits A and B Page 11 of 165

§ 510. The Holders of any Allowed Class 4 Claims will not be receiving any distribution under this Plan unless all senior claims including administrative creditors, unclassified claims including tax claims, and all creditors in all senior classes are paid in full (which Plan Proponents do not believe will occur). To the extent that any Claim is subordinated under 11 U.S.C. § 510, such subordinated debts will be classified and treated under Class 4.

Class 5 consists of all equity interests in the Debtor, including any claims reclassified by the Bankruptcy Court as equity by a Final Order. The confirmation of this Plan will cancel all such equity interests. The Holders of equity interests will not receive any distributions under this Plan unless all administrative creditors, unclassified claims including tax claims, and all creditors in all senior classes are paid in full (which the Plan Proponents do not believe will occur).

III. CLASSIFICATION AND TREATMENT OF CLAIMS AND INTERESTS UNDER

THIS PLAN

A. What Creditors and Interest Holders Will Receive Under this Plan

As required by the Bankruptcy Code, this Plan classifies claims and interests in various classes according to their rights and priorities. Similarly situated claims are included in the same class. Claims that have different rights and priorities such as secured creditors are included in their own class. The Plan also states whether the claims and rights of each class are impaired or unimpaired. Lastly, the Plan provides for the treatment of for holders of claims in each class (i.e. what will they receive on account of their claims).

B. Unclassified Claims

Certain types of claims are not placed into voting classes; instead they are unclassified. They are not considered impaired and they do not vote on the Plan because they are automatically entitled to specific treatment as set forth in the Bankruptcy Code. In accordance with § 1123(a)(1) of the Bankruptcy Code, Administrative Claims, Priority Tax Claims, and Professional Fee Claims, have not been classified and, thus, are excluded from the Classes of Claims and Interests set forth in Article III. The following claims are not classified:

1. Administrative Claims Including Professional Fee Claims

Section 507(a)(2) of the Bankruptcy Code provides for priority treatment of certain claims, including fees and charges provided under chapter 123 of the Judicial Code, and administrative expenses allowed under 11 U.S.C. § 503(b). The Bankruptcy Code requires that all such allowed claims be paid in full on the Effective Date unless a particular Holder agrees to a different treatment.

Holders of Administrative Claims that are required to, but do not, File and serve a request for payment of such Administrative Claims by the applicable Administrative Claims Bar Dates shall be forever barred, estopped, and enjoined from asserting such Administrative Claims against the Estate or its property, and such Administrative Claims shall be deemed satisfied, settled, and released. Objections to such requests, if any, must be Filed and served on the Plan Proponents, or Liquidating Trustee, as applicable, and the requesting party not later than the Administrative Claims Objection Deadline.

Unless otherwise agreed to by the Holder of an Allowed Administrative Claim and the Plan Proponents or the Liquidating Trustee, as applicable, each Holder of an Allowed Administrative Claim (other than Holders of Professional Fee Claims and Claims for fees and expenses, pursuant to § 1930 of the Judicial Code) will receive in full and final satisfaction of its Administrative Claim an amount of Cash equal to the amount of such Allowed Administrative Claim in accordance with the following: (1) if an Administrative Claim is Allowed as of the Effective Date, on the Effective Date or thereafter is agreed by any Holder of such Administrative Claim (or, if not then due, when such Allowed Administrative Claim is due or as soon as reasonably practicable thereafter); (2) if such Administrative Claim is not Allowed as of the Effective Date, no later than sixty (60) days after the date on which an order Allowing such Administrative Claim becomes a Final Order, or as soon as reasonably practicable thereafter; (3) if such Allowed Administrative Claim is based on liabilities incurred by Debtor or Trustee in the ordinary course of business after the Petition Date in accordance with the terms and conditions of the particular transaction giving rise to such Allowed Administrative Claim, when such Allowed Administrative Claim is due or as soon as reasonably practicable thereafter; or (4) at such Allowed Administrative Claim is due or as soon as reasonably practicable thereafter; or (4) at such

The administrative claim amounts set forth above simply represent the Plan Proponents' best estimate as to the identity of Holders and the amounts of projected administrative claims in this case. The actual administrative claims may be higher or lower. By voting to accept this Plan, creditors are not acknowledging the validity of, or consenting to the amount of, any of these administrative claims,

and creditors are not waiving any of their rights to object to the allowance of any administrative claims.

2. Bankruptcy Court Approval of Professional Fee Claims Required

Unless excepted from the need to file a motion by the Bankruptcy Code or unless the Court enters an order approving such claims, all professional fees and expenses listed in the foregoing chart must be approved by Court order before they may be paid. All final requests for payment of Professional Fee Claims for services rendered and reimbursement of expenses incurred prior to the Effective Date must be filed no later than forty-five (45) days after the Effective Date. The Bankruptcy Court shall determine the amounts of such Professional Fee Claims after notice and a hearing in accordance with the procedures established by the Bankruptcy Code, Bankruptcy Rules, and prior Bankruptcy Court orders. Only the amount of fees and expenses allowed by the Bankruptcy Court will be required to be paid under this Plan. Professionals who have been employed in this case are not being deemed to have agreed that the figures contained herein represent any ceiling on the amount of fees and expenses that they have incurred or are entitled to seek to be paid pursuant to Bankruptcy Court order as such fees and expenses are just estimates provided at the time of the preparation of the Plan.

3. Priority Tax Claims

Priority Tax Claims include certain unsecured income, employment, and other taxes described by 11 U.S.C. § 507(a)(8). The Bankruptcy Code requires that each Holder of a Priority Tax Claim (whether secured or unsecured) must receive the present value of such claim in regular installment payments in cash (i) of a total value, as of the Effective Date of the Plan, equal to the allowed amount of such claim; (ii) over a period ending not later than five years after the Petition Date; and (iii) in a manner not less favorable than the most favored non-priority unsecured claim provided for under the Plan.

Except to the extent that a Holder of an Allowed Priority Tax Claim and the Plan Proponents or the Liquidating Trustee agree to a less favorable treatment for such Holder, in full and final satisfaction, settlement, and release of and in exchange for each Allowed Priority Tax Claim, each

Holder of such Allowed Priority Tax Claim shall be treated in accordance with the terms set forth in § 1129(a)(9)(C) of the Bankruptcy Code and, for the avoidance of doubt, Holders of Allowed Priority Tax Claims will receive interest on such Allowed Priority Tax Claims after the Effective Date in accordance with §§ 511 and 1129(a)(9)(C) of the Bankruptcy Code.

All Allowed Priority Tax Claims will be paid as set forth in the below chart. The Plan Proponents reserve all rights to object to any alleged Priority Tax Claims.

C. Classified Claims and Interests

1. Classification of Claims and Interests

Except for the Claims addressed in Section III.B of the Plan, all Claims and Interests are classified in the Classes set forth in this Section III.C for all purposes, including voting, Confirmation, and distributions pursuant to the Plan and in accordance with §§ 1122 and 1123(a)(1) of the Bankruptcy Code. A Claim or an Interest is classified in a particular Class only to the extent that such Claim or Interest qualifies within the description of that Class and is classified in other Classes to the extent that any portion of such Claim or Interest qualifies within the description of such other Classes. A Claim or Interest also is classified in a particular Class for the purpose of receiving distributions under the Plan only to the extent that such Claim or Interest is an Allowed Claim or Allowed Interest in that Class and has not been paid, released, or otherwise satisfied prior to the Effective Date.

The classification of Claims and Interests against the Debtor pursuant to the Plan is as set forth below:

Class	Claim / Interest	Status	Voting Rights

2. Treatment of Claims and Interests

Subject to Section III.C. of the Plan, each Holder of an Allowed Claim or Allowed Interest, as applicable, shall receive under the Plan the treatment described below in full and final satisfaction, compromise, settlement, and release of, and in exchange for, such Holder's Allowed Claim or Allowed Interest, except to the extent less favorable treatment is agreed to by the Plan Proponents, or the

Liquidating Trustee, as applicable, and the Holder of such Allowed Claim or Allowed Interest, as applicable.

The Classes below classify Claims (except for unclassified claims such as Administrative Claims and Priority Tax Claims) against the Estate for all purposes, including voting, confirmation, and distribution pursuant to the Plan.

3. Class 1 – Classes of Secured Claims

Secured claims are claims that are secured by Liens on property of the Estate. The following chart sets forth the description and treatment of Secured Claims.

The Secured Claims are subject to substantial dispute. The Plan Proponents have objected, or intend to object, to the validity, priority, perfection, and/or amount of some or all of the Secured Claims on various grounds including, but not limited to, that the Liens purporting to secure the Secured Claims are avoidable under 11 U.S.C. §§ 544, 547, 548, 549, 550, 551, 552, and/or 553, or applicable nonbankruptcy law, or subject to subordination under 11 U.S.C. §§ 510(b) and/or 510(c). To the extent that the Trustee, the Committee, or Liquidating Trustee files an adversary proceeding and successfully avoids, recovers, and preserves any Lien held by any Holder of a Secured Claim, the Estate or Liquidating Trust shall be entitled to rights otherwise afforded the Holders of such Claims as described below. Additionally, the Plan Proponents have objected, or intend to object, to the amount of some or all of the Secured Claims on various grounds, pursuant to Bankruptcy Rule 3012. In addition, the Plan Proponents believe that some or all of the Secured Claims, to the extent Allowed, are subject to disallowance and/or setoff under 11 U.S.C. §§ 502(d) and 553. Holders of Allowed Secured Claims, following entry of a Final Order Allowing such Secured Claim (or any portion thereof), will be entitled to the treatment specified by this Plan with respect to any Allowed amount of such Secured Claim, if any.

The Plan sets forth the asserted amount of Secured Claims set forth in corresponding Proofs of Claim or estimates the amount of the Secured Claim where no Proof of Claim is filed. The Plan does not treat as Holders of Secured Claims certain parties that filed UCC-1 financing statements prepetition and whose claim is estimated in the amount of \$0.00, pursuant to the Court's ruling on

Case 8:23-bk-10571-SC Doc 1277-1 Filed 06/03/24 Entered 06/03/24 17:01:02 Desc Exhibit Exhibits A and B Page 19 of 165

that certain motion filed by the Trustee, pursuant to Bankruptcy Rule 3012. Pursuant to the foregoing ruling, the Court has authorized the Trustee to file UCC-3 termination statements with respect to such UCC-1 financing statements, and, as such, any claim is not treated in this Plan as a Secured Claim. In other instances, the Plan estimates certain Secured Claims at \$0.00 to the extent that the Holders of such Secured Claims have filed UCC-1 financing statements but have neither filed a Proof of claim nor responded to Trustee's request for information regarding the alleged Secured Claim. The Plan Proponents believe that such claims have either been fully satisfied or are otherwise avoidable. All such holders of Secured Claims will be served with the Plan and Disclosure Statement.

Certain Holders of Secured Claims purport to relate to one or more alleged Purchase and Sale Agreements, pursuant to which the Holders of such Secured Claims may assert an ownership interest in certain consumer client files, accounts receivable, and/or revenue streams. This Plan preserves the 12 | rights of any Holders of Secured Claims to assert an ownership interest in such client files, accounts receivable, and/or revenue streams, subject to the Ownership Challenge Deadline, and the Estate's and Liquidating Trust's rights to object to or otherwise challenge any such alleged ownership interests.

General Unsecured Claims are not entitled to priority under § 507(a) of the Bankruptcy Code. The following charts identify this Plan's treatment of the classes containing the General Unsecured Claims.

While there may be a recovery for Holders of Allowed General Unsecured Claims, it is not possible at this time to estimate the ultimate recovery for such Holders based, in part, on the extent to which asserted Secured Claims are ultimately Allowed, the extent to which any asserted Other Priority Claims and General Unsecured Claims are Disallowed and/or subordinated, and the extent of recoveries from Causes of Action.

B. The Liquidating Trust

1. Execution of Liquidating Trust Agreement

Upon entry of a Confirmation Order, a Liquidating Trust Agreement in a form approved by the Bankruptcy Court shall be executed, and all other necessary steps shall be taken to establish the liquidating trust (the "<u>Liquidating Trust</u>") and the Trust Beneficial Interests therein, which shall be for the benefit of all creditors entitled to Trust Beneficial Interests under this Plan.

2. Purposes of the Liquidating Trust

The Liquidating Trust shall be established and maintained for the purpose set forth in the Liquidating Trust Agreement, including for the purpose of collecting, distributing, and liquidating all of the funds and property assigned to the Liquidating Trust and pursuing claims and Causes of Action assigned to the Liquidating Trust under this Plan for the benefit of the creditors entitled to receive distributions under this Plan from the Liquidating Trust in accordance with the terms of the Liquidating Trust Agreement and this Plan. The Liquidating Trust shall have no objective or authority to continue or to engage in the conduct of any trade or business.

3. Transfer of Property to the Liquidating Trust

a) Liquidating Trust Assets. The Liquidating Trustee is hereby granted the Power of Attorney to execute documents on behalf of the Debtor, as reasonably determined by the Liquidating Trustee (in recordable form where necessary or appropriate) to vest or perfect in or confirm to the Liquidating Trustee title to and possession of the Liquidating Trust Assets. The Liquidating Trust may withhold from property to be distributed under the Plan and will place in reserve a sufficient amount of cash to be distributed on account of claims that are Disputed and have not been allowed as of the date of distribution to creditors of any particular Class as if such Claims were allowed in full.

F. Books and Records of the Debtor

Unless applicable non-bankruptcy law permits the distribution or destruction of certain of the Debtor's business records at an earlier date, or the Debtor or the Liquidating Trust obtains an order of the Bankruptcy Court providing otherwise, subject to the terms and conditions of the Liquidating Trust Agreement governing the books and records of the Liquidating Trust, the Liquidating Trustee shall have the responsibility of storing and maintaining the Debtor's books and records until one year after the Effective Date, after which time such books and records may be abandoned or destroyed without further Bankruptcy Court order, unless applicable non-bankruptcy law requires the retention and maintenance of any such books and records for a longer period, in which instance the Liquidating Trustee shall retain such books and records for at least the minimum period required by applicable

G. Corporate Action

Upon the Effective Date, all actions contemplated under the Plan, regardless of whether taken before, on or after the Effective Date, shall be deemed authorized and approved in all respects. All matters provided for in the Plan or deemed necessary or desirable by the Plan Proponents or the Liquidating Trustee before, on, or after the Effective Date involving the corporate structure of the Debtor or Liquidating Trust, and any corporate action required by the Debtor or the Liquidating Trust in connection with the Plan or corporate structure of the Debtor or Liquidating Trust, shall be deemed to have occurred and shall be in effect on the Effective Date, without any requirement of further action by Holders of Interests, directors, managers, members or officers of the Debtor. Before, on, or after the Effective Date, the Liquidating Trustee, on behalf of the Liquidating Trust, the Debtor and the Estate, as applicable, shall be authorized to issue, execute, and deliver the agreements, documents, securities, and instruments contemplated under the Plan (or necessary or desirable to effect the transactions contemplated under the Plan) in the name of and on behalf of the Liquidating Trust, the Debtor and the Estate, as applicable. The authorizations and approvals contemplated by this Section of the Plan shall be effective notwithstanding any requirements under non-bankruptcy law.

H. Effectuating Documents and Further Transactions

On and after the Effective Date, the Liquidating Trustee is authorized to and may issue, execute, deliver, file, or record such contracts, instruments, releases, indentures, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement and further evidence the terms and conditions of this Plan and the Liquidating Trust Agreement in the name of and on behalf of the Debtor, the Liquidating Trust and Estate, as applicable, without the need for any approvals, authorizations, or consents except for those expressly required pursuant to the Plan.

The Liquidating Trustee shall be entitled to object to any and all Claims against the Estate, subject to the time limitations set forth in this Plan.

2. No Distribution Pending Allowance of Claims.

Notwithstanding any other provision of this Plan, if any portion of a Claim is a Disputed Claim, no payment or distribution provided under this Plan shall be made on account of such Disputed Claim unless and until such Disputed Claim becomes an Allowed Claim.

3. Distributions Upon Allowance of Disputed Claims.

The Holder of a Disputed Claim that becomes an Allowed Claim shall receive a distribution(s) in Cash, subject to the terms of this Plan and the Liquidating Trust Agreement. Such distributions shall be made in accordance with this Plan based upon the distributions that would have been made to such Holder under this Plan if the Disputed Claim had been an Allowed Claim on or prior to the Effective Date. No Holder of a Disputed Claim shall have any claim against the Liquidating Trust Assets with respect to such Disputed Claim until such Disputed Claim becomes an Allowed Claim, and no Holder of a Disputed Claim shall have any right to interest on such Disputed Claim unless otherwise provided in the Plan.

4. Resolution of Disputed Claims.

Unless otherwise ordered by the Bankruptcy Court after notice and a hearing and subject to the terms of the Liquidating Trust Agreement, following the Effective Date, the Liquidating Trustee shall have the right to the exclusion of all others (except as to applications for allowances of compensation and reimbursement of expenses under §§ 328(a), 330, and 503 of the Bankruptcy Code) to make and file objections to claims and shall serve a copy of each objection upon the Holder of the Claim to which the objection is made as soon as practicable, but in no event later than two hundred and seventy (270) days after the Effective Date (subject, however, to the right of the Liquidating Trustee to seek an extension of time to file such objections by seeking such extension with approval from the Bankruptcy Court). After the expiration of the 270-day period for the Liquidating Trustee

to file objections to claims (and the expiration of any extended period requested and granted by the Liquidating Trustee), and the final resolution of any then-pending claims objections, all creditor claims shall be deemed fixed.

The Liquidating Trustee may at any time request that the Bankruptcy Court estimate any contingent, unliquidated or disputed Claim pursuant to § 502(c) of the Bankruptcy Code regardless of whether the Debtor of the Liquidating Trust previously objected to such Claim, and the Bankruptcy Court shall retain jurisdiction to estimate any claim at any time during litigation concerning any objection to any claim, including, without limitation, during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated or disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such Claim, the Liquidating Trustee may pursue supplementary proceedings to object to the allowance of such Claim. All of the aforementioned objection, estimation and resolution procedures are intended to be cumulative and not exclusive of one another. On and after the Effective Date, Claims that have been estimated may be compromised, settled, withdrawn or otherwise resolved subsequently, without further order of the Bankruptcy Court.

J. Distributions to Be Made Pursuant to the Plan

Distributions under the Plan on Claims that are Allowed on the Effective Date will be made by the Trustee in the manner provided by the Plan. The Liquidating Trust Agreement will govern the procedures for distributions made from the Liquidating Trust pursuant to the Plan.

Distributions made by the Trustee under the Plan may be made by check drawn on a domestic bank or by wire transfer. Except as otherwise agreed to by the Trustee in writing, distributions to be made to Holders of Claims Allowed on or before the Effective Date, pursuant to this Plan, may be delivered by regular mail, postage prepaid, to the address shown in the Debtor's schedules, as amended or, if a different address is stated in a Proof of Claim filed with the Bankruptcy Court, to

such address. The Trustee may also make distributions to consumer clients by electronic means if he determines that doing so is more reliable than other methods for making payment.

Checks issued by the Trustee to pay Allowed Claims shall be null and void if not negotiated within ninety (90) days after the date of issuance thereof ("Claiming Period"). Requests for reissuance of any check shall be made to the Trustee by the Holder of the Allowed Claim to whom such check originally was issued, prior to the expiration of the Claiming Period. After such date, the unclaimed property held on account of such voided check or such claim shall vest in the Liquidating Trust free and clear of all claims and interests and be applied in accordance with the terms of the Plan.

K. Conditions Precedent to Confirmation and the Effective Date of the Plan

- 1. Conditions Precedent to Confirmation of the Plan

24	other than proceeding to confirm or consummate the Plan.
25	4. <u>Effect of Failure of Conditions</u>
26	If Confirmation of the Plan does not occur, the Plan shall be null and void in all respects and
27	nothing contained in the Plan or the Disclosure Statement shall: (1) constitute a waiver or release of
28	

any Claims by the Trustee, Estate, the Committee, any Holders, or any other Entity; (2) prejudice in any manner the rights of the Trustee, Estate, the Committee, any Holders, or any other Entity; or (3) constitute an admission, acknowledgment, offer or undertaking by the Trustee, Estate, the Committee, any Holders, or any other Entity in any respect. Notwithstanding the foregoing, the failure of Confirmation to occur shall not require or result in the voiding, rescission, reversal, or unwinding of the Sale Order.

L. Executory Contracts and Unexpired Leases

Any executory contracts or unexpired leases (i) which have not expired by their own terms on or prior to the Effective Date, or (ii) which have not been assumed or assigned or rejected with the approval of the Court or pursuant to procedure established by order of the Court shall be deemed rejected by the Estate on the Effective Date. A schedule of all executory contracts and/or unexpired leases to be assumed/rejected upon confirmation of the Plan shall be included as a Plan Supplement.

The entry of the Confirmation Order by the Court shall constitute approval of such assumption and/or rejection as appropriate pursuant to 11 U.S.C. §§ 365(a) and 1123(b)(2).

Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases pursuant to the Plan or the Confirmation Order, if any, must be filed with the Bankruptcy Court within thirty (30) days after the later of (1) the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such rejection, (2) the effective date of such rejection (or deemed rejection), or (3) the Effective Date. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease pursuant to the Plan or Confirmation Order not filed with the Bankruptcy Court within such time will be automatically Disallowed, forever barred from assertion, and shall not be enforceable against the Debtor, the Liquidating Trust and the Estate, or their property without the need for any objection by the Liquidating Trustee or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied and released, notwithstanding anything in the Schedules or a Proof of Claim to the contrary. herein shall extend or modify any previously established deadline to file a claim arising from the rejection of an Executory Contract or Unexpired Lease previously rejected by the Liquidating Trustee or the Debtor._To the extent any Claims are filed based on rejection of executory contracts or unexpired leases, such Claims shall be treated as a General Unsecured Claims in Class 3A of this Plan.

M. Cure of Defaults for Executory Contracts and Unexpired Leases Assumed (or Assumed and Assigned)

Any cure obligations under each Executory Contract and Unexpired Lease to be assumed (or assumed and assigned) pursuant to the Plan shall be satisfied, pursuant to § 365(b)(1) of the Bankruptcy Code, by performance or payment of the default amount in Cash on or after the Effective Date, subject to the limitation described below, or on such other terms as the parties to such Executory Contracts or Unexpired Leases may otherwise agree. In the event of a dispute regarding (1) the cure obligation, (2) the ability of the Debtor, the Liquidating Trustee or any assignee to provide "adequate assurance of future performance" (within the meaning of § 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed (or assumed and assigned), or (3) any other matter pertaining to assumption (or assumption and assignment) or the cure obligations required by § 365(b)(1) of the Bankruptcy Code, such dispute shall be determined either (x) by agreement of the parties to such dispute or (y) following the entry of a Final Order or orders resolving the dispute and approving the assumption (or assumption and assignment).

At least fourteen (14) days prior to the Confirmation Hearing, and except as to any Executory Contracts or Unexpired Leases that have been assumed or rejected by a separate order of the Court, the Liquidating Trustee shall distribute, or cause to be distributed to the applicable counterparties and their known counsel, notices of proposed assumption (or assumption and assignment), proposed cure, procedures for objecting thereto, and procedures for resolution by the Bankruptcy Court of any related disputes. Any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption (or assumption and assignment) or related cure amount must be filed, served, and actually received by the Debtors at least three (3) days prior to the Confirmation Hearing. Any counterparty

to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption (or assumption and assignment) or cure amount will be deemed to have assented to such assumption (or assumption and assignment) or cure. To the extent that the Liquidating Trustee seek to assume (or assume and assign) an Executory Contract or Unexpired Lease pursuant to the Plan, the Liquidating Trustee will (in the applicable notice and/or Schedule): (a) identify the assignee; and (b) provide "adequate assurance of future performance" (within the meaning of § 365 of the Bankruptcy Code) under the applicable Executory Contract or Unexpired Lease to be assumed (or assumed and assigned), which adequate assurance information will be provided with the notices of proposed assumption (or assumption and assignment).

Subject to cure or adequate assurance of prompt cure, as set forth in § 365(b) of the Bankruptcy Code, assumption (or assumption and assignment) of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Cure Obligations or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed (or assumed and assigned) Executory Contract or Unexpired Lease at any time prior to the effective date of assumption (or assumption and assignment). Subject to full satisfaction of Cure Obligations, any Proofs of Claim filed with respect to an Executory Contract or Unexpired Lease that has been assumed (or assumed and assigned) shall be deemed Disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court.

The Trustee or the Liquidating Trustee may settle any Cure Claim dispute without any further notice to or action, order, or approval of the Bankruptcy Court; provided that notice of such settlement will be distributed to known counsel of the applicable counterparty by electronic mail.

N. Preexisting Obligations to the Debtors under Executory Contracts and Unexpired Leases.

Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of preexisting obligations owed to the Debtor or the Estate, as

applicable, under such Executory Contracts or Unexpired Leases. In particular, notwithstanding any non-bankruptcy law to the contrary, the Liquidating Trustee expressly reserves and does not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations on goods or services previously purchased by the Debtor contracting from non-debtor counterparties to rejected Executory Contracts or Unexpired Leases.

Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the Assumed Executory Contracts and Unexpired Leases Schedule, nor anything contained in the Plan, shall constitute an admission by the Plan Proponents or the Liquidating Trustee that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that the Debtor or the Estate has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Plan Proponents or the Liquidating Trustee shall have thirty (30) days following entry of a Final Order resolving such dispute to alter its treatment of such contract or lease under the Plan.

V. EFFECT OF CONFIRMATION OF THIS PLAN

A. Discharge

The Debtor will not receive a discharge under this Plan pursuant to and in accordance with the provisions of § 1141 of the Bankruptcy Code because this Plan contemplates and will result in a sale or liquidation of all or substantially all of the property of the Debtor's Estate.

B. No Revesting of Estate Property in the Debtor

All Property of the Estate will remain Property of the Estate and/or the Liquidating Trust free and clear of all claims and interests except as provided in the Plan. No Estate assets shall revert to the Debtor as a result of confirmation. The Liquidating Trustee shall be the entity responsible for carrying out the terms of the Plan and to comply with any orders of the Court regarding the Plan or the assets of the Estate, subject to the terms of the Liquidating Trust Agreement and the Confirmation Order.

C. No Liability for Solicitation or Participation

As specified in § 1125(e) of the Bankruptcy Code, persons that solicit acceptances or rejections of the Plan and/or that participate in the offer, issuance, sale, or purchase of securities offered or sold under the Plan, in good faith and in compliance with the applicable provisions of the Bankruptcy Code, shall not be liable on account of such solicitation or participation, for violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or the offer, issuance, sale, or purchase of securities.

To the maximum extent permitted by law, neither the Trustee, the Liquidating Trustee, the Estate, the Committee, the Post-Confirmation Oversight Committee, nor any of their employees, officers, directors, shareholders, agents, members, representatives, or the professionals employed or retained by any of them, whether or not by Court order shall have or incur liability to any person or entity for an act taken or omission made in good faith in connection with or related to the formulation and implementation of the Plan, the Disclosure Statement, or a contract, instrument, release, or other agreement or document created in connection therewith, the solicitation of acceptances for or confirmation of the Plan, or the consummation and implementation of the Plan and the transactions contemplated therein-; provided, however, that the foregoing exculpation shall not extend to any act or omission constituting fraud, willful misconduct, or gross negligence by the foregoing parties. Each of the exculpated persons set forth in this Section of the Plan shall in all respects be entitled to reasonably rely on the advice of counsel with respect to its duties and responsibilities under the Plan. Notwithstanding the foregoing, nothing contained in this Plan shall effectuate an exculpation, release, or injunction in favor of the Debtor's employees, officers, directors, shareholders, agents, members, representatives, Affiliates, alter egos, or the professionals employed or retained by any of them, and all rights and Causes of Action held by the Estate against any of the foregoing are expressly preserved by this Plan.

E. Preservation of all Litigation and Causes of Action

After confirmation of the Plan, the Liquidating Trust shall retain all rights to continue, commence and pursue, as appropriate, any and all claims or Causes of Action, including those identified in the Plan Supplement, and objections to Claims, whether arising before or after the date on which the Debtor filed its petition, in any court or other tribunal including, without limitation, in an adversary proceeding filed in the Bankruptcy Case. The failure to list any potential or existing claims or causes of action shall not limit the rights of the Liquidating Trustee to pursue any claims or causes of action not listed or identified. After the Effective Date, the Liquidating Trustee shall have the absolute authority to prosecute, waive, adjust, or settle any and claims, including all Causes of

Action, without the need for approval by the Court, subject to the terms of the Liquidating Trust Agreement.

Unless a claim or Cause of Action against a creditor or other entity is expressly waived, relinquished, released, compromised, or settled in the Plan or any other Final Order of the Court, the Estate expressly reserves such claim or Cause of Action for later adjudication (including, without limitation, claims and causes of action not specifically identified or which the Debtor or its Estate may presently be unaware or which may arise or exist by reason of additional facts or circumstances unknown to the Plan Proponents, or the Estate at this time or facts or circumstances which may change or be different from those which the Plan Proponents or the Estate now believe to exist). No preclusion doctrine, including, without limitation, the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, waiver, estoppel (judicial, equitable, or otherwise) or laches shall apply to such claims, or Causes of Action upon or after the confirmation or consummation of the Plan based on the Disclosure Statement, the Confirmation Order, except where such claims and Causes of Action have been explicitly released in the Plan. In addition, the Liquidating Trust, and the Estate expressly reserve the right to pursue or adopt any claims alleged in any lawsuit in which the Debtor is a defendant or an interested party, against any person or entity, including without limitation, the plaintiff or co-defendant in such lawsuits.

Delivery (by any means) of the Plan or the Disclosure Statement approved by the Court to any person whom the Debtor and/or Estate has incurred an obligation, or who has received a transfer of money or property of the Debtor, or who has transacted business with the Debtor or the Estate shall constitute actual notice that such obligation, transfer, or transaction may be reviewed by the Trustee subsequent to the approval by the Court of the Plan and may, if appropriate, be the subject of an action after the approval by the Court of the Plan, whether or not (i) such person has field a proof of claim in this Case; (ii) such person's proof of claim has been the subject of an objection; (iii) such person's claim was included in the schedules; or (iv) such person's scheduled claim has been identified by the Trustee as disputed, contingent, or unliquidated.

F. Modification of this Plan.

The Plan Proponents may modify this Plan at any time before confirmation. However, the Bankruptcy Court may require a new disclosure statement and/or re-voting on this Plan if the Plan Proponents materially modifies this Plan before confirmation. The Liquidating Trustee may seek to modify this Plan at any time after confirmation of this Plan so long as (1) this Plan has not been substantially consummated, (2) such modification is approved by the Post-Confirmation Oversight Committee, or (3) the Bankruptcy Court authorizes the proposed modifications after notice and a hearing.

G. Post-Confirmation Status Reports.

Within 120 days of the entry of the order confirming the Plan, the Liquidating Trustee shall file a status report with the Court explaining what progress has been made toward consummation of the confirmed Plan. The status report shall be served on the United States Trustee and those parties who have requested special notice. Further status reports shall be filed approximately every four months and served on the same parties until entry of a final decree or otherwise ordered by the Court.

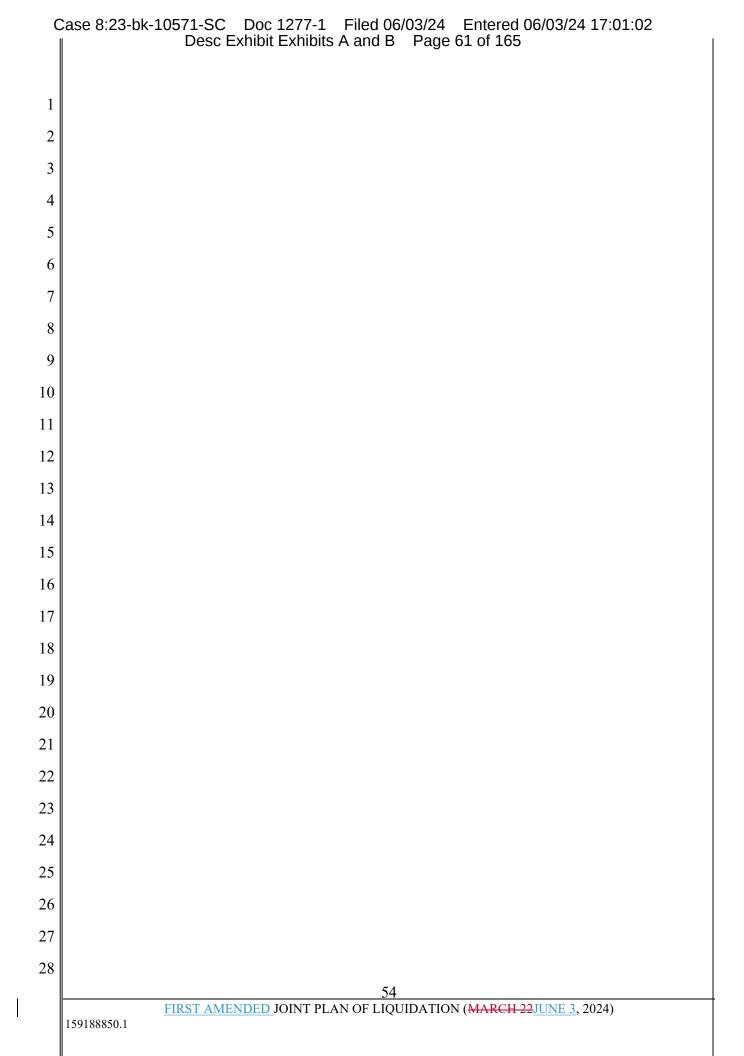

H. Post Confirmation U.S. Trustee Fees

Upon the Effective Date, the Trustee and Liquidating Trustee shall be responsible for timely payment of quarterly fees due and payable, if any, until the Case is closed, to the extent required by § 1930(a)(6) of the Judicial Code. The Liquidating Trustee may, subject to the Liquidating Trust Agreement, seek to close the case post-Effective Date. Unless otherwise adjudicated by the Court, distributions made by the Liquidating Trustee on behalf of the Liquidation Trust shall not be subject to quarterly fees.

I. Risk Factors

The risk factors with respect to the Plan include, but are not limited to, the following: (1) the financial projections set forth in the Disclosure Statement may not be realized thereby causing inability to make Plan payments; (2) the uncertainty associated with the "earn-out" under the Sale Transaction; (3) the risk of business and/or economic downturn; (4) the costs and uncertainty of potential litigation; and (5) non-bankruptcy law regulations.

1 J. Tax Consequences of the Plan 2 CREDITORS AND INTEREST HOLDERS CONCERNED WITH HOW THE PLAN MAY AFFECT THEIR TAX LIABILITY SHOULD CONSULT WITH THEIR OWN ACCOUNTANTS, ATTORNEYS, AND/OR ADVISORS. The following disclosure of possible 5 tax consequences is intended solely for the purpose of alerting readers about possible tax issues this Plan may present to the Debtor. The Plan Proponents CANNOT and DO NOT represent that the tax consequences contained below are the only tax consequences of the Plan because the Tax Code embodies many complicated rules which make it difficult to state completely and accurately all the 9 tax implications of any action. 10 Counsel to the Plan Proponents do not provide tax advice. The Plan Proponents recommend 11 that you seek independent tax advice. At this time, the Plan Proponents are unaware of any negative 12 tax consequences arising from confirmation of the Plan. 13 K. **Final Decree** 14 Once this Estate has been fully administered, as referred to in Bankruptcy Rule 3022, the 15 Trustee or Liquidating Trustee will file a motion with the Bankruptcy Court to obtain a final decree 16 to close the Bankruptcy Case. 17 18 DATED: March 22 June 3, 2024 MARSHACK HAYS WOOD LLP 19 By: /s/ D. I.

INTRODUCTION

On March 20, 2023 ("Petition Date"), The Litigation Practice Group P.C. ("Debtor") filed a voluntary petition under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101 et seq. ("Bankruptcy Code"),3 which commenced the above-referenced bankruptcy case ("Bankruptcy Case"). On May 8, 2023, the Office of the United States Trustee ("U.S. Trustee") appointed Richard A. Marshack ("Trustee") to serve in a fiduciary capacity as the chapter 11 trustee of the Debtor's Estate. On June 23 and 29, 2023, the U.S. Trustee appointed a seven-member Official Committee of Unsecured Creditors of the Litigation Practice Group P.C. (the "Committee") to represent the general interests of unsecured creditors in the Bankruptcy Case.

On March 22 June 3, 2024, the Trustee and the Committee filed the First Amended Joint Chapter 11 Plan of Liquidation (Dated March 22 June 3, 2024) [Docket No. ["Plan"). The Trustee and the Committee are referred to, collectively, as the "Plan Proponents" because they have jointly submitted the Plan. This document is the disclosure statement ("Disclosure Statement"), which describes the Plan.

SUMMARY OF THE DEBTOR AND THE BANKRUPTCY CASE

The following is a brief summary of the background of the Debtor, the events leading to the commencement of the Bankruptcy Case, and significant events since the filing of the Bankruptcy Case. Given limitations on the Plan Proponents access to certain information prior to the appointment of the Trustee, certain of the background information is based on the information and belief of the Plan Proponents. This Disclosure Statement includes descriptions of facts that may be subject to litigation. Nothing contained herein shall be construed as an admission or waiver with respect to such litigation and is provided here solely for the purposes of adequate disclosure of facts or circumstances known or understood by the Plan Proponents as of the filing of this Disclosure Statement.

A. Overview of the Debtor and the Debtor's Prepetition Business Operations

1. The Debtor and Its Prepetition Management

The Debtor is a professional corporation organized under the laws of the State of California with its principal place of business in Tustin, California. As of the Petition Date, the Debtor operated as a law firm that provided consumer debt validation services to its clients.

Tony M. Diab ("Mr. Diab"), and his disbarment in California and Nevada, was the direct cause of the Debtor's formation. On January 14, 2019, the Supreme Court of the State of Nevada entered an order disbarring Mr. Diab from the practice of law in Nevada. The Nevada disbarment order related to significant misconduct, including stealing a \$375,000 client settlement payment, forging client retainer agreements to conceal the conversion of client funds, and forging the signature of a judge on a falsified order. On February 7, 2019, the State Bar of California entered default

(

against Mr. Diab on similar claims in a pending California proceeding and ordered that Mr. Diab's law license be placed on involuntary inactive status. Mr. Diab was subsequently disbarred from the practice of law in California on January 10, 2020.

The Debtor was incorporated in California on February 22, 2019. The timing is noteworthy: the incorporation occurred less than a month after Mr. Diab's Nevada disbarment and two weeks after Mr. Diab's law license was placed on involuntary inactive status in California. The Trustee alleges that the Debtor was formed to conceal the transfer and continuation of Mr. Diab's preexisting debt resolution practice notwithstanding his inability to practice law.

The Trustee has further alleged that the Debtor's named management served as a shill to permit Mr. Diab to continue *de facto* control over business operations despite no longer holding a license to practice law. John Thompson ("Mr. Thompson") was the original, sole shareholder and managing partner of the Debtor between February and November 2019. Daniel March ("Mr. March") took assignment of Mr. Thompson's ownership in the Debtor in November 2019, and served as the sole shareholder and managing partner of the Debtor until the appointment of the Trustee (discussed below). In each instance, the Trustee alleges that Mr. Diab effectively "rented" the law licenses of Mr. Thompson and Mr. March, neither of whom exercised any actual management or control over the Debtor. During this time, Mr. Diab impersonated Mr. March and Mr. Thompson, forged Mr. March's signature on documents, and purportedly provided legal advice to clients of the Debtor.

2. The Debtor's Prepetition Business Operations

a. The Services Provided to Clients under the LSAs

Prepetition, the Debtor serviced more than 50,000 consumer clients across the United States with an estimated annual revenue of \$150 million in 2022. Generally, the relationship between the Debtor and its consumer clients was governed by a legal services agreement (an "LSA") that established an attorney-client relationship between the parties. Consumer clients signed one of multiple LSA versions that describe the services provided as follows:

[The Debtor] will provide debt validation services wherein it will assist you in removing erroneous or inaccurate information appearing on one or more of your credit reports by contesting debts appearing therein. This service is limited to information reported by creditors or purported creditors to credit bureaus. The purpose of this program is to challenge

the legal validity of debts appearing on or being reported to credit bureaus...

Other iterations of the LSA offered itemized lists of the services provided, including: (i) assisting clients in efforts to stop creditors and debt collectors from harassing or contacting the client in connection with specific debts; (ii) disputing the legal validity of specific debts; (iii) assisting clients in removing erroneous or inaccurate information reported on specific debts; (iv) representing clients in lawsuits filed against the client concerning specific debts; (v) initiating legal action on behalf of clients against creditors violating applicable federal or state law with respect to certain debts; and (vi) determining a client's eligibility for bankruptcy and the effects of a bankruptcy filing.

The Debtor provided services under the LSA by limiting the degree of customized services to clients to the greatest extent possible. By way of example, LPG utilized software licensed by DebtPayPro and, ultimately, a less-efficient proprietary software known as LUNA, to automate the debt dispute resolution process, facilitate client communications, and track payment information. These systems generated automated and generic template correspondence to creditors, collection agencies, and credit bureaus to challenge or dispute debt. In some cases, these programs resulted in correction of incorrectly reported debt, successful challenges based on consumer protection laws, and debt settlement. In limited circumstances, the Debtor utilized in-house or third-party attorneys to file, or defend against, lawsuits on behalf of consumer clients.

b. The LSA Payment Terms and Estimated Revenue

The LSAs required that clients agree to a predetermined payment plan that required clients to pay fees monthly to the Debtor over an 18-to-30-month term. Under the LSAs, the fees were earned immediately upon receipt by the Debtor. The monthly fee installments were often automatically debited from client bank accounts by ACH transfer. The Debtor utilized the services of ACH processing companies—many of which were owned or controlled by Mr. Diab—to process the monthly ACH draws from client bank accounts. Prepetition, the Debtor's monthly gross revenue from monthly fee payments was estimated to range from \$8.4 million to \$11.2 million, and, as of the Petition Date, the Trustee believes that monthly gross revenue from client accounts exceeded \$15 million.

c. The Debtor's Internal and Third-Party Marketing Affiliates

The Debtor utilized both in-house and third-party marketing affiliates to obtain consumer client referrals on a massive scale. The Debtor's "in-house" marketing efforts were operated through an entity called Coast Processing, which was acquired by Mr. Diab in 2021 and was purportedly "merged" into the Debtor's operations despite Coast Processing's previous dominion and control over the Debtor prior to Mr. Diab's acquisition. The Debtor also utilized a network of over 100 third-party marketing affiliates to purchase referrals. In each case, the Debtor acquired potential client data through in-house or third-party efforts that identified victims of predatory lending, significant debt potentially subject to challenge, and other methods. Rather than pay for these referral lists upfront, the Debtor paid third-party marketing affiliates a percentage of collections earned from referred clients through revenue generated from those clients during their engagement with the Debtor. The marketing affiliates' practices were dubious at best and, included direct solicitation and referral of clients (which may have violated the rules of professional conduct governing licensed attorneys in multiple jurisdictions). Additionally, in some circumstances, the marketing affiliates would assist with the execution of an LSA between the Debtor and a consumer client.

B. The Circumstances Leading to the Filing of the Bankruptcy Case

The Trustee alleges that Mr. Diab, and a series of co-conspirators, orchestrated and implemented a scheme to fraudulently transfer client files, and the related receivables, to third parties. The series of prepetition transactions involving the Debtor, Mr. Diab, Mr. Diab's co-conspirators, or their affiliates include the following:

- Repeatedly either selling, or utilizing as collateral, the same accounts receivable from the same client files to factoring companies, other lenders, or investors;
- Transferring client files to third parties selected by Mr. Diab, or his co-conspirators, and such transfers of client files were made for inadequate or no consideration without consumer client consent;
- Intercepting ACH draws from client accounts under the LSAs and diverting the funds collected to the fraudulent transferees; and

 Causing the fraudulent transferees to initiate redundant or duplicative, and unauthorized, ACH draws against consumer client accounts.

The foregoing transactions, among others, siphoned substantial assets from the Debtor. The Debtor also entered into a series of purportedly secured borrowings, sales, and investments on unfavorable terms to finance the Debtor's operations and pay fees owed to the Debtor's marketing affiliates that the Debtor's cash flow from accounts receivable were unable to sustain.

Creditors and clients became increasingly aware of the Debtor's misconduct, orchestrated by Mr. Diab and his co-conspirators. By way of example, between late April 2023 and May 2023, entities to which the Debtor impermissibly transferred client files began receiving significant client complaints related to duplicative or fraudulent ACH draws against their personal accounts. Other creditors who expected more significant payments under the terms of their agreements began filing lawsuits to enforce their asserted rights against the Debtor. On March 10, 2023, a California state court in one such lawsuit ordered the appointment of a receiver. The Debtor filed the Bankruptcy Case, in part, to frustrate the appointment of the receiver.

C. Significant Events During the Bankruptcy Case

1. <u>Motions to Dismiss or Convert the Bankruptcy Case and Appointment of the Trustee</u>

On March 30, 2023, the Office of the United States Trustee filed a motion [Docket No. 21] (the "<u>U.S. Trustee Dismissal Motion</u>") to dismiss the Bankruptcy Case or convert the Bankruptcy Case to a case under chapter 7 of the Bankruptcy Code. Although filed only shortly after the Bankruptcy Case, the U.S. Trustee observed that the Debtor had already failed to comply with a litany of reporting requirements, including: (i) failure to provide proof of insurance; (ii) failure to provide evidence the Debtor closed its prepetition bank accounts or the opening of postpetition, debtor-in-possession bank accounts at authorized depositories; (iii) failure to provide required disclosures concerning real property, cash flow, required certificates and licenses, income tax returns, financial statements, employee benefits, insiders; and (iv) failure to provide evidence that the petition was recorded.

On April 19, 2023, Debt Validation Fund II, LLC, MC DVI Fund 1, LLC, and MC DVI Fund 2, LLC collectively filed a motion [Docket No. 44] (the "Creditor Dismissal Motion") to dismiss the Bankruptcy Case or, in the alternative, convert the Bankruptcy Case to a case under chapter 7 of the Bankruptcy Code or appoint a chapter 11 trustee. The Creditor Dismissal Motion was premised on allegations the Debtor engaged in a prepetition pattern of dissipating its assets to affiliates or insiders for less than fair value in a scheme to hinder, delay, and defraud creditors. The Creditor Dismissal Motion also alleged that the Debtor filed the Bankruptcy Case, in part, to frustrate efforts to obtain appointment of a receiver in state court.

On May 4, 2023, the Bankruptcy Court entered an order [Docket No. 58] granting the U.S. Trustee Dismissal Motion and ordering the appointment of a chapter 11 trustee. On May 15, 2023, the movants withdrew the Creditor Dismissal Motion.

On May 8, 2023, the U.S. Trustee filed a notice of appointment [Docket No. 62] of Richard A. Marshack as the chapter 11 Trustee and the Trustee accepted [Docket No. 63] the appointment. On May 8, 2023, the Bankruptcy Court entered an order [Docket No. 65] approving the appointment of the Trustee.

On June 13, 2023, the Trustee filed an emergency motion [Docket No. 102] (the "Ad Hoc Committee Motion") to permit the Trustee to enter into an expense reimbursement agreement with an ad hoc committee intended to advance the interests of all consumer client claimants. The U.S. Trustee objected [Docket No. 127], in part, on the grounds that the U.S. Trustee was in the process of re-soliciting creditor interest in serving on an official committee of unsecured creditors. On June 26, 2023, creditor Carolyn Beech objected [Docket No. 144] to the expense reimbursement motion. On June 26, 2023, the Trustee, U.S. Trustee, and Carolyn Beech entered into a stipulation [Docket No. 149] dismissing the Ad Hoc Committee Motion provided that the U.S. Trustee agree that a majority of any official committee of unsecured creditors remains comprised of consumer client claimants. On June 27, 2023, the Bankruptcy Court entered an order [Docket No. 151] approving the stipulation.

On June 23, 2023, the U.S. Trustee filed a notice [Docket No. 134] of the appointment of a five-member Committee. On June 29, 2023, the U.S. Trustee filed a notice [Docket No. 157] of the appointment of two additional members to the Committee, which resulted in a seven-member Committee. The Committee's membership is as follows: (i) Alexandra Lufti; (ii) April Reidy; (iii) Denise Burtchell; (iv) Angela Dows, Esq.; (v) Thomas Ray; (vi) Affirma, LLC; and (vii) Abigail R. Beaudin. Consistent with the Bankruptcy Court approved stipulation, the majority of the Committee's members are consumer client claimants.

The Bankruptcy Court further ordered Khang & Khang LLP to turn over the entire balance of the \$80,000 retainer to the Trustee, including any amounts drawn by Khang & Khang LLP against the retainer without Bankruptcy Court approval. On October 7, 2023, Khang & Khang LLP filed a notice [Docket No. 563] to professionals to file applications for approval of interim compensation. On October 20, 2023, Khang & Khang LLP withdrew [Docket No. 591] the notice to professionals.

On August 24, 2023, the Bankruptcy Court entered an order [Docket No. 4444] approving the employment of Fox Rothschild LLP as general bankruptcy counsel to the Committee. On October 1 16, 2023, the Bankruptcy Court entered an order [Docket No. 578] authorizing the employment of Force Ten Partners, LLC as financial advisor to the Committee.

As of the date of this Disclosure Statement, the foregoing estate professionals have not filed applications for approval of compensation and reimbursement of expenses.

4. Postpetition Financial Reporting and Disclosures

On the Petition Date, the Bankruptcy Court issued certain notices [Docket Nos. 2-6] of deficiencies or omissions in documents supporting the Petition and of the Bankruptcy Court's intent to dismiss the Bankruptcy Case in the event the deficiencies were not resolved.

On March 24, 2023, the Debtor filed a list [Docket No. 16] of the top 20 creditors holding unsecured claims. On April 4, 2023, the Debtor filed a corporate resolution [Docket No. 27] authorizing the filing of the Bankruptcy Case, a corporate ownership statement [Docket No. 28], a statement [Docket No. 29] of related cases, a disclosure [Docket No. 30] of attorney compensation, a summary [Docket No. 32] of assets and liabilities, Schedules A/B, D, E/F, G, and H [Docket No. 33], a statement of financial affairs [Docket No. 34], and a list [Docket No. 36] of equity security holders. On May 1, 2023, the Debtor filed an amended Schedule D [Docket No. 52], Schedule G [Docket No. 53], an amended statement of financial affairs [Docket No. 54], and a monthly operating report [Docket No. 55] for the month ended March 31, 2023. Based on the Plan Proponent's review, the Plan Proponents believe that the financial disclosures filed by the Debtor are incomplete, unreliable, and otherwise of limited value for purposes comprehensive assessment of the Debtor's financial condition on the Petition Date.

The Trustee has provided financial disclosures following his appointment. The Trustee initially filed declarations [Docket Nos. 112, 184] in lieu of filing monthly operating reports, which cover the months ending April 30, 2023, through June 30, 2023. The Trustee subsequently filed monthly operating reports [Docket Nos. 510, 511, 512, 541, 542, 593, 740, 741, 765, 857, 950], which, as of the date of this Disclosure Statement, cover the periods ending April 30, 2023, through January 31, 2024.

The Complaint, Preliminary Injunction, and Amended Complaints a.

On May 25, 2023, the Trustee filed a complaint [Adv. Docket No. 1] initiating the adversary proceeding captioned Marshack v. Diab, et al., Adv. Proc. No. 8:23-ap-01046-SC ("Injunction Action"). As set forth more fully in the complaint, the Trustee filed the Injunction Action, inter alia, to enjoin the transfer or dissipation of assets of the Debtor, recover assets transferred pursuant to certain avoidable or fraudulent transactions, and obtain turnover of certain Debtor assets not in the possession, custody, or control of the Debtor. The Injunction Action relates primarily to the scheme, implemented by Mr. Diab, his co-conspirators, and their affiliates, to fraudulently or otherwise impermissibly transfer assets of the Debtor discussed more fully herein.

On May 25, 2023, the Trustee filed an emergency motion [Adv. Docket No. 4], inter alia, seeking turnover of certain estate property, a preliminary injunction, lock-out of certain parties from accessing certain estate property, and related relief. The motion and related papers [Adv. Docket Nos. 3-8] included requests for immediate turnover and preservation of critical operating information, client information, accounts, ACH processing accounts, bank accounts and client funds. On June 23, 2023, the Bankruptcy Court entered an order [Adv. Docket No. 70] granting the motion.

On June 15, 2023, the Trustee filed a first amended complaint [Adv. Docket No. 62] primarily to correct the spelling or entity designations of named defendants and add other defendants. The following defendants filed answers to the first amended complaint, but not the second amended complaint: Tony Diab [Adv. Docket No. 134]; and Scott Eadie [Adv. Docket No. 241].

On October 13, 2023, the Trustee filed a second amended complaint [Adv. Docket No. 226]. The following defendants filed answers to the second amended complaint: Greyson Law Center PC [Adv. Docket No. 251]; Marich Bein, LLC [Adv. Docket No. 263]; Daniel S. March [Adv. Docket No. 280]; CLG and LGS Holdco, LLC [Adv. Docket No. 307]; BankUnited, N.A. [Adv. Docket No. 314]; Eng Taing [Adv. Docket No. 326]; Touzi Capital, LLC [Adv. Docket No. 327]; Worldpay Group and Worldpay, LLC [Adv. Docket No. 395]; and Fidelity National Information Services, Inc. dba FIS [Adv. Docket No. 396].

1 b. **Motions to Dismiss the Injunction Action** 2 On November 3, 2023, defendants, Eng Taing and Touzi Capital, LLC, filed a motion [Adv. Docket No. 265] to dismiss the second amended complaint in the Injunction Action. On December 22, 2023, the Bankruptcy Court entered an order [Adv. Docket No. 299] denying the Eng Taing and 5 Touzi Capital, LLC motion to dismiss. 6 On December 22, 2023, defendants Rosa Bianca Loli and Lisa Cohen filed motions [Adv. Docket Nos. 300, 301] to dismiss the second amended complaint in the Injunction Action. On March 13, 2023, the Trustee filed oppositions [Adv. Docket Nos. 442, 443] to the motions. 9 **Voluntary Dismissals of Defendants to the Injunction Action** 10 On July 24, 2023, the Trustee filed a notice [Adv. Docket No. 103] of dismissal, without 11 prejudice, of defendant, the United States Parcel Service. 12 On August 1, 2023, the Trustee filed a notice [Adv. Docket No. 119] of dismissal, without 13 prejudice, of defendant, Phoenix Law Group, Inc. 14 On October 6, 2023, the Bankruptcy Court entered an order [Adv. Docket No. 221] approving 15 a stipulation to dismiss without prejudice defendants, Gallant Law Group, PC and Center Pointe Law, 16 PC. 17 On October 27, 2023, the Bankruptcy Court entered an order [Adv. Docket No. 250] 18 approving a stipulation to dismiss without prejudice defendants, Han Trinh and Jayde Trinh. 19 On November 11, 2023, the Trustee filed a notice [Adv. Docket No. 270] of dismissal, without prejudice, of defendants, Occams Advisory, Inc., Teracel Blockchain Fund, LLC, Chris Winslow, B.A.T., Inc. d/b/a Coast Processing, Guardian, Maverick Management, LLC, Eng Tang, WorldPay, 22 Inc., William Taylor Carss, and Maria Eeyah Tan. 23 On January 30, 2023, the Trustee filed a notice [Adv. Docket No. 372] of dismissal, without 24 prejudice, of defendants, Jake Akers and Authorize.net. 25 On March 15, 2024, the Bankruptcy Court entered an order [Adv. Docket No. 446] granting 26 the Trustee's motion [Docket No. 339] to dismiss without prejudice Marich Bein, LLC and 27 BankUnited, N.A. as defendants to the Injunction Action to permit the Trustee to file a new complaint 28

against the defendants in a separate adversary proceeding.

d. <u>Defaults Entered Against Defendants to the Injunction Action</u>

The Clerk of the Bankruptcy Court has entered defaults against the following defendants: Vulcan Consulting Group, LLC [Adv. Docket No. 144]; Wes Thomas [Adv. Docket No. 145]; Seamless Chex, Inc. [Adv. Docket No. 153]; Teracel Blockchain Fund II, LLC [Adv. Docket No. 154]; Jake Akers [Adv. Docket No. 163]; BAT, Inc. d/b/a Coast Processing [Adv. Docket No. 164]; Jimmy Chhor [Adv. Docket No. 174]; Oakstone Law Group, P.C. [Docket No. 177]; Prime Logix, LLC [Adv. Docket No. 179]; Revolv3, Inc. [Adv. Docket No. 180]; and Guardian Processing, LLC [Adv. Docket No. 181]. As of the date of this Disclosure Statement, the Bankruptcy Court has not entered default judgments.

e. Settlements and Compromises of Claims Related to the Injunction Action

On July 6, 2023, the Trustee filed a motion [Docket No. 176] in the Bankruptcy Case to approve a stipulated judgment with Phoenix Law, PC ("Phoenix") that, among other things, provides a finding that the Debtor's prepetition transfer of approximately 40,000 consumer client files to Phoenix is avoided as a preferential or fraudulent transfer, and providing for the recovery of such consumer client files and related material. The settlement agreement also provided for the dismissal of defendants, William Taylor Carss and Maria Eeya Tan, without prejudice. On August 7, 2023, the Bankruptcy Court entered an order [Docket No. 365] approving the settlement motion.

The Injunction Action remains pending as of the date of this Disclosure Statement.

6. The Postpetition Financing Motions

The Trustee requested postpetition financing to fund ordinary business operations of the Debtor because the estate lacked adequate available cash to fund such expenses. Specifically, the U.S. Trustee objected to the use of postpetition funds collected from consumer clients by ACH draws and the estate lacked significant cash on hand as of the Petition Date. The Trustee contended that maintaining the Debtor's operations postpetition was necessary to preserve the going-concern value of the Debtor in advance of any sale of the Debtor's business.

On June 16, 2023, the Trustee filed an emergency motion [Docket No. 119] (the "First

On June 22, 2023, the Bankruptcy Court entered an order [Docket No. 131] (the "First Financing Order") approving the First Financing Motion on an interim basis.

On June 29, 2023, the Trustee filed an ex parte notice [Docket No. 156] (the "Second Financing Motion") of an alleged nonmaterial modification to the promissory note by and between the Trustee and Resolution Ventures, pursuant to the First Financing Order. The Second Financing Motion indicated that Resolution Ventures had advanced \$240,000 of the \$800,000 loan amount prior to entry of the First Financing Order; however, Resolution Ventures subsequently informed the Trustee that it was unable to provide any further advances under the promissory note. The Second Financing Motion proposed that the non-material modification would substitute Liberty Acquisitions Group, Inc. ("Liberty"), an affiliate of Consumer Legal Group PC ("CLG"), as the lender for the remaining \$560,000 balance of the approved, unsecured, superpriority administrative loan, and repayable on a pari passu basis with the \$240,000 loaned by Resolution Ventures.

On June 29, 2023, the Bankruptcy Court set [Docket No. 158] an emergency hearing on the Second Financing Motion. On July 3, 2023, the Bankruptcy Court entered an order [Docket No. 168] (the "Second Financing Order") authorizing, on an interim basis, the proposed loan from Liberty Acquisitions Group, Inc.

On July 16, 2023, the Trustee filed an emergency motion [Docket No. 249] (the "Third Financing Motion") to obtain postpetition financing, on an unsecured, superpriority administrative basis, from Resolution Ventures, in the amount of \$249,663.98, and from Liberty, in the amount of \$249,663.98. On July 18, 2023, the Committee filed an objection [Docket No. 282] to the Third Financing Motion, in part, on the grounds that the proposed, amended Liberty promissory note would have impermissibly permitted Liberty to obtain immediate repayment of its postpetition loans from the first sale proceeds received by the estate. On July 20, 2023, the Bankruptcy Court entered an order [Docket No. 310] (the "Third Financing Order") approving the Third Financing Motion on an

interim basis; provided, however, that Liberty would no longer provide the additional \$249,663.98 in financing and would instead be replaced by PanAmerican Consulting Inc. without the immediate repayment provisions in the Liberty note.

On August 21, 2023, the Bankruptcy Court entered orders [Docket Nos. 413, 414, 415] approving on a final basis the financing authorized under the First Financing Order, the Second Financing order, and the Third Financing Order.

7. **Motion to Approve Management Agreement**

On July 10, 2023, the Trustee filed a motion [Docket No. 204] to authorize the Trustee to enter into a management agreement with Resolution Processing to provide the services of Russell Squires and Gary DePew for \$60,000 for the first month of services, and \$40,000 per month for each month thereafter, for no more than three months. The Trustee requested approval of the management agreement to provide persons familiar with the business operations of the Debtor to maintain operations until the closing of a sale. At the hearing concerning the sale, the Committee requested that Russ Squires, serving in a representative capacity for bidder, Morning Law Group, resign from his management position as of the July 20, 2023, bid. On August 21, 2023, the Bankruptcy Court entered an order [Docket No. 412] approving the motion as modified on the record at the sale hearing.

On September 28, 2023, the Trustee filed a motion [Docket No. 545] to surcharge secured creditor collateral, as applicable, to provide for the immediate payment of the management fee. The Committee objected [Docket No. 557] on the grounds that the extent of secured creditor collateral was not yet determined and that the order approving the management agreement only entitled Mr. Squires to an administrative claim rather than ordinary course payment. The Committee also reserved rights to the extent the payment was ultimately determined to come from unencumbered funds. On October 27, 2023, the Bankruptcy Court entered an order [Docket No. 601] granting the surcharge motion and authorizing payment of the management fee.

8. The Morning Law Group Sale

a sale of substantially all of the Debtor's assets. The Sale Motion sought approval of that certain Agreement of Purchase and Sale and Joint Escrow Instructions by and between the Trustee and CLG (the "CLG PSA"). Under the CLG PSA, CLG would purchase certain of the Debtor's assets for the following consideration: (i) an \$8 million deposit; and (ii) a post-closing "earn-out," after deducting a 20% administrative fee, calculated as (a) 20% of all amounts collected by CLG on "Active Executory Contracts," and (b) 15% of all amounts collected by CLG on "Inactive Executory Contracts." The CLG PSA included other provisions such as the appointment of an ethics compliance monitor to ensure compliance with applicable regulations in the post-closing operations of the 9 Debtor's business. 10 On July 10, 2023, the Bankruptcy Court sua sponte entered an order [Docket No. 206] 11 requesting both briefing concerning the Sale Motion and optional supplemental briefing concerning the Bankruptcy Court's authority to approve the sale in light of the Debtor's prepetition illegal 13 operations and the appropriate conditions and available post-sale reformations of any and all business 14 operations. 15 On July 17, 2023, the following parties filed supplemental briefing in accordance with the 16 Court's supplemental briefing order: Carolyn Beech and Diane Scarnavack [Docket No. 254]; CLG 17 [Docket No. 257]; the U.S. Trustee [Docket No. 259]; the Trustee [Docket No. 260]; the Committee Docket No. 264]; and Debt Validation Fund II, LLC, MC DVI Fund 1, LLC, and MC DVI Fund 2, 19 LLC [Docket No. 267]. The following parties filed responses to the pocket briefs: (i) the Committee 20 [Docket No. 292]; and (ii) CLG [Docket No. 307]. 21 On July 19, 2023, the following parties filed responses to the Sale Motion: Affirma, LLC [Docket No. 285]; Oxford Knox, LLC [Docket No. 287]; the National Association of Consumer 23 Bankruptcy Attorneys and National Consumer Bankruptcy Rights Center [Docket No. 288]; Alteryx, 24 Inc. [Docket No. 289]; Debt Validation Fund II, LLC, MC DVI Fund 1, LLC, and MC DVI Fund 2, LLC [Docket No. 290]; Azzure Capital, LLC [Docket No. 294]; the U.S. Trustee [Docket No. 296]; 26 OHP-CDR, LP [Docket No. 299]; and the Committee [Docket No. 300]. 27 On July 20, 2023, the Trustee filed a reply [Docket No. 313] in support of the Sale Motion. 28

On July 21, 2023, the Bankruptcy Court held a hearing on the Sale Motion. At the hearing, the Trustee sought approval of a revised and further negotiated form of the CLG PSA to which the Trustee, the Committee, and CLG agreed. The hearing resulted in a competitive bidding process between CLG, the Bensamochan Law Group, and Morning Law Group ("MLG").

The bidding process resulted in the selection of MLG as the winning bidder, pursuant to that certain *Agreement of Purchase and Sale and Joint Escrow Instructions* by and between the Trustee and MLG [Docket No. 416] (the "Purchase Agreement"). The Purchase Agreement provided for the transfer of certain of the Debtor's assets to MLG. The purchase price was calculated as: (i) a deposit in the amount of \$5.5 million; and (ii) an post-closing "earn-out" calculated as (a) 50% of all amounts collected by MLG on "Active Executory Contracts," and (b) 40% of all amounts collected by MLG on "Inactive Executory Contracts." The Estate was not entitled to receive earn-out payments until MLG satisfied the financing it obtained to fund the deposit. At the hearing, the Trustee valued the MLG bid and Purchase Agreement to be as high as \$84,490,990, based on certain pro forma assumptions on the performance of the Active Executory Contracts and the ability of MLG to the recover Inactive Executory Contracts. The actual amount to be received is estimated to be substantially lower based on, among other things, MLG's actual retention of active and inactive executory contracts. As set forth more fully in this Disclosure Statement, the combined recovery under the Sale Transaction, including the deposit, is estimated at approximately \$14.1 million.

On July 22, 2023, the Court entered a memorandum decision [Docket No. 320] approving the Sale Transaction. On August 2, 2023, the Court entered an order [Docket No. 352] granting the Sale Motion. The Sale Transaction closed on August 4, 2023.

b. Appointment of the Monitor

On August 7, 2023, the Court entered an order [Docket No. 363] appointing Nancy Rapoport as ethics compliance monitor (the "Monitor"), pursuant to the Purchase Agreement and Sale Order. The order of appointment provided that the role of the Monitor is strictly to monitor MLG's compliance with generally understood ethical standards and consumer protection obligations in its going-forward business servicing the Debtor's former consumer clients.

On November 27, 2023, the Monitor filed her first report [Docket No. 720] concerning MLG's compliance with ethical obligations. On February 21, 2024, the Monitor filed her second report [Docket No. 951] concerning MLG's compliance with ethical obligations.

On November 13, 2023, the Bankruptcy Court entered an order [Docket No. 661] approving a stipulation providing for payment of the Monitor through funds held by MLG. On February 8, 2024, the Bankruptcy Court entered an order [Docket No. 928] granting the Trustee's motion to surcharge secured creditor collateral, if any, to fund accrued fees of the Monitor.

Opt-Out Notice and Assumption and Rejection

On August 16, 2023, the Trustee served [Docket Nos. 403, 404] a 90-day opt-out notice to consumer clients whose LSAs were potentially subject to assumption and assignment, pursuant to applicable California law. The opt-out notice and procedure were implemented in consultation with the Trustee, Committee, Monitor, and MLG to comply with applicable law governing a sale of law firm clients.

On September 8, 2023, the Trustee filed a notice [Docket No. 489] of potential assumption an assignment of executory agreements, pursuant to the Purchase Agreement and Sale Order. Following service of the notice, the Bankruptcy Court granted [Docket Nos. 523, 555, 927] several motions to reject executory agreements, including LSA, pursuant to the terms of the Purchase Agreement and Sale Order.

d. **Projected Recoveries and Potential Disputes**

The Plan Proponents project that recoveries under the Purchase Agreement will be materially less than the top line projected estimate existing as of the time of the sale hearing, largely because: (i) MLG encountered significant difficulty in maintaining the number of Active Executory Contracts and; (ii) due to the Monitor's position concerning the timing within which MLG was permitted to begin outreach and recovery of the Inactive Executory Contracts. Specifically, following detailed financial analysis, the Plan Proponents believe that the ultimate recovery (excluding the deposit)

under the earn-out portion of the Sale Transaction will be approximately \$8.6 million. Accordingly, the combined recovery under the Sale Transaction, including the deposit, is estimated at approximately \$14.1 million. This projected recovery is subject to significant variables, including the success of MLG's continued efforts to retain additional former consumer clients, and may be subject to material change. For purposes of the Disclosure Statement, the assumption is that MLG is unable to recover a material amount of the Inactive Executory Contracts.

The Plan Proponents and their financial advisors are working closely with MLG to monitor MLG's performance under the terms of the Purchase Agreement and financial issues that may impact the ultimate recovery to the Estate. In the course of these discussions, the Plan Proponents have identified several potential points of dispute between the Estate and MLG concerning interpretations of the Purchase Agreement, including: (i) the point at which MLG is required to begin remitting earnout payments to the Estate; (ii) the basis for the calculation of the earn-out; and (iii) the extent of any applicable offset rights granted to MLG under the Purchase Agreement. The Estate continues to work closely with MLG on these issues and, to the extent the Estate is unable to reach a resolution, the Estate will retain all claims under the Purchase Agreement.

On February 7, 2024, the Trustee filed a motion [Docket No. 924] to determine the amount of secured claims, if any, held by: (i) Everyday Funding Group, (ii) Green Fund, (iii) World Global Fund, (iv) MCA Capital Holdings, (v) StratCap Management, (vi) Cobalt, (vii) Cloudfund, (viii) BMF, (ix) Kevlar, and (x) Franklin Capital. The motion provided that relief was appropriate, under Bankruptcy Rule 3012, because each claim related to a UCC-1 financing statement that was not terminated notwithstanding the Trustee's belief that the value of the underlying claim was \$0. The Trustee also sought authority to file UCC-3 termination statements with respect to any creditor whose claim was valued at \$0. None of the allegedly secured creditors subject to the motion filed responses or appeared at the hearing on the motion. On March 13, 2024, the Bankruptcy Court entered an order [Docket No. 1021] granting the motion, valuing the claims of listed secured creditors at \$0, and permitting the Trustee to file UCC-3 termination statements with respect to such claims.

On February 16, 2024, the Trustee filed a motion [Docket No. 942] to approve a compromise with Maverick Bankcard, Inc. The Trustee asserted that Maverick established a prepetition reserve that held approximately \$628,343.18 as of the Petition Date and that Maverick has certain setoff or recoupment rights with respect to refunds, chargebacks, or ACH returns incurred while processing payments from the Debtor's consumer clients. Pursuant to the settlement, Maverick has agreed to apply its setoff rights with respect to the reserve and release to the Debtor \$216,010.65, which is attributable to the remaining reserve balance and an amount inadvertently withheld postpetition.

On March 15, 2024, the Bankruptcy Court entered an order [Docket No. 1027] approving a stipulation between the Trustee and Pioneer Funding Group II, LLC reclassifying its secured claim as an unsecured claim and deeming the unsecured claim allowed in the amount of \$366,500, subject to disallowance, pursuant to § 502(d).

On March 19, 2024, the Trustee and City Capital NY filed a stipulation with the Bankruptcy Court [Docket No. 1041] reclassifying City Capitals secured claim as an unsecured claim and deeming it allowed in the amount of \$2,950,000.00, subject to disallowance, pursuant to § 502(d).

11. **Adversary Proceedings**

Debtor's Adversary Proceeding

On April 7, 2023, the Debtor filed a complaint [Adv. Docket No. 1] initiating the adversary proceeding captioned The Litigation Practice Group P.C. v. Validation Partners LLC, et al., Adv. Proc. No. 8:23-ap-01029-SC. The complaint sought to extend the automatic stay and enjoin certain creditors that were pursuing prepetition litigation against the Debtor. On June 9, 2023, following the Trustee's appointment, the Trustee filed a notice [Docket No. 5] of voluntary dismissal of the adversary proceeding.

b. **The OHP Action**

On September 11, 2023, OHP-CDR, LP and PurchaseCo80, LLC (collectively, the "OHP Plaintiffs") filed a complaint [Adv. Docket No. 1] initiating the adversary proceeding captioned OHP-CDR, LP, et al. v. Marshack, et al., Adv. Proc. No. 8:23-ap-01098-SC (the "OHP Action"). In the

OHP Action, the OHP Plaintiffs seek determination of lien priority and the extent of their alleged ownership interests in certain assets of the Debtor.

On October 13, 2023, the Trustee filed an answer and counterclaims [Adv. Docket No. 7] in the OHP Action. On October 13, 2023, defendant Azzure Capital, LLC filed an answer [Adv. Docket No. 10].

On November 3, 2023, the OHP Plaintiffs filed an answer [Adv. Docket No. 13] to the Trustee's counterclaims.

On February 21, 2024, the Bankruptcy Court entered an order [Adv. Docket No. 26] setting a pretrial conference and requiring the OHP Plaintiffs to submit briefing and evidence in support of their secured status. On March 15, 2024, the OHP Plaintiffs filed a brief [Adv. Docket No. 37] and related exhibits [Adv. Docket Nos. 36, 38-46]. The pretrial conference is scheduled for April 22, 2024.

c. **The Secured Creditor Action**

On January 26, 2024, the Trustee filed a complaint [Adv. Docket No. 1] initiating the adversary proceeding captioned Marshack v. Bridge Funding Cap, LLC d/b/a Fundura Capital, et 16 al., Adv. Proc. No. 8:24-ap-01011-SC (the "Secured Creditor Action"). In the Secured Creditor Action, the Trustee seeks, with respect to certain alleged secured creditors (the "Secured Creditor 18 Defendants"), (i) determinations of the validity, extent, and priority of certain Secured Creditor Defendants' allegedly secured claims, (ii) avoidance, recovery, and preservation of certain secured claims, and (iii) subordination with respect to certain Secured Creditor Defendants.

On February 7, 2024, the Bankruptcy Court entered an order [Adv. Docket No. 10] setting a pretrial conference and requiring the Secured Creditor Defendants to submit briefing and evidence in support of their secured status. On March 15, 2024, the following Secured Creditor Defendants filed briefs: Bridge Funding Cap, LLC D/B/A/ Fundura Capital [Adv. Docket No. 30] and PECC Corp. [Adv. Docket Nos. 37, 38]. The Trustee entered into stipulations [Adv. On March 15, 2024, the Bankruptcy Court entered an order [Docket No. 1030] approving a stipulation between the Trustee and Marich Bein, LLC treating its purportedly secured claim as unsecured, subject to disallowance, pursuant to § 502(d), and authorizing the Trustee to file a UCC-3 termination statement with respect to the UCC-1 filed in favor of Marich Bein, LLC.

d. Marketing and Receivable Purchase Ownership Claim Litigation

As stated above, LPG operated a law firm for consumers across the country who sought assistance in contesting or resolving certain identified debt. The consumers would pay LPG over a period of time via monthly debits from their bank accounts. The monthly payments were meant to cover all legal services LPG provided to the consumers including debt validation, review of documents to determine enforceability, and court appearances to halt lawsuits to obtain judgments. In certain instances, LPG would file a lawsuit in an effort to eliminate a disputed debt or to prosecute affirmative claims held by the consumers. As set forth more fully in the relevant adversary proceedings, LPG mismanaged the handling of the consumers' monthly payments.

To obtain consumer clients, the Trustee alleges that LPG contracted with marketing companies, who engaged in illegal capping. The marketing companies would advertise or directly solicit potential consumer clients for LPG. The marketing affiliates went so far as to assist with the execution of engagement letters between the consumer and LPG. In exchange, LPG agreed to pay the marketing affiliates a percentage of the monthly payments collected by LPG from the consumers. Because LPG received payments from consumers over time, it often sought financing by borrowing against its future cash flows. This borrowing was not only used to finance operations at LPG, but also to pay the fees owed to the marketing companies for providing client referrals. Many of the documents executed in connection with such financing described the transactions as accounts receivable purchase agreements and/or the sale of client files. The Trustee is diligently investigating and has filed numerous adversary proceedings against marketing affiliates and other entities who allegedly sold and/or purchased receivables and/or client files. The various adversary proceedings set forth facts and law to support that these agreements are void or voidable under various theories

including that such agreements are illegal, and thus any payments made or collected by these entities, should be returned to the Estate as avoidable transfers. Ten of these adversary proceedings have been filed, with numerous others pending.

e. Other Adversary Proceedings

The Trustee is investigating various avoidance actions and actions to recover transfers of property of the estate. Trustee's attorneys have assisted with this investigation, sending numerous 2004 applications and subpoenas in an attempt to trace assets. Trustee's forensic accountants have provided an analysis, from various Debtor bank statements, showing what money was transferred from LPG to various entities within 90 days of and within four years prior the Petition Date. Trustee has sent various entities "Preference" letters and will continue to investigate and pursue these parties if reasonable. Trustee anticipates filing these actions in the coming months.

SUMMARY OF THE PLAN

The following is a general overview only, which is qualified in its entirety by, and should be read in conjunction with, the more detailed discussions and information appearing in the Plan.

A. <u>Classification and Treatment of Claims and Interests Under the Plan</u>

1. What Creditors and Interest Holders Will Receive Under the Plan

As required by the Bankruptcy Code, the Plan classifies claims and interests in various classes according to their rights and priorities. Similarly situated claims are included in the same class. Claims that have different rights and priorities such as secured creditors are included in their own class. The Plan also states whether the claims and rights of each class are impaired or unimpaired. Lastly, the Plan provides for the treatment of for holders of claims in each class (i.e. what will they receive on account of their claims).

2. <u>Unclassified Claims</u>

Certain types of claims are not placed into voting classes; instead they are unclassified. They are not considered impaired and they do not vote on the Plan because they are automatically entitled to specific treatment as set forth in the Bankruptcy Code. In accordance with § 1123(a)(1) of the

Section 507(a)(2) of the Bankruptcy Code provides for priority treatment of certain claims, 6 lincluding fees and charges provided under chapter 123 of the Judicial Code, and administrative expenses allowed under 11 U.S.C. § 503(b). The Bankruptcy Code requires that all such allowed claims be paid in full on the Effective Date unless a particular Holder agrees to a different treatment.

Holders of Administrative Claims that are required to, but do not, File and serve a request for payment of such Administrative Claims by the applicable Administrative Claims Bar Dates shall be forever barred, estopped, and enjoined from asserting such Administrative Claims against the Estate or its property, and such Administrative Claims shall be deemed satisfied, settled, and released. Objections to such requests, if any, must be Filed and served on the Plan Proponents, or Liquidating Trustee, as applicable, and the requesting party not later than the Administrative Claims Objection Deadline.

Unless otherwise agreed to by the Holder of an Allowed Administrative Claim and the Plan Proponents or the Liquidating Trustee, as applicable, each Holder of an Allowed Administrative Claim (other than Holders of Professional Fee Claims and Claims for fees and expenses, pursuant to \$ 1930 of the Judicial Code) will receive in full and final satisfaction of its Administrative Claim an amount of Cash equal to the amount of such Allowed Administrative Claim in accordance with the following: (1) if an Administrative Claim is Allowed as of the Effective Date, on the Effective Date or thereafter is agreed by any Holder of such Administrative Claim (or, if not then due, when such Allowed Administrative Claim is due or as soon as reasonably practicable thereafter); (2) if such Administrative Claim is not Allowed as of the Effective Date, no later than sixty (60) days after the date on which an order Allowing such Administrative Claim becomes a Final Order, or as soon as reasonably practicable thereafter; (3) if such Allowed Administrative Claim is based on liabilities incurred by Debtor or Trustee in the ordinary course of business after the Petition Date in accordance

with the terms and conditions of the particular transaction giving rise to such Allowed Administrative Claim without any further action by the Holder of such Allowed Administrative Claim, when such Allowed Administrative Claim is due or as soon as reasonably practicable thereafter; or (4) at such time and upon such terms as set forth in a Final Order of the Bankruptcy Court or as agreed with the

By voting to accept the Plan, creditors are not acknowledging the validity of, or consenting to the amount of, any of these administrative claims, and creditors are not waiving any of their rights to object to the allowance of any administrative claims.

b. Bankruptcy Approval of Professional Fee Claims Required

Unless excepted from the need to file a motion by the Bankruptcy Code or unless the Court enters an order approving such claims, all professional fees and expenses listed in the foregoing chart must be approved by Court order before they may be paid. All final requests for payment of Professional Fee Claims for services rendered and reimbursement of expenses incurred prior to the Effective Date must be filed no later than forty-five (45) days after the Effective Date. The Bankruptcy Court shall determine the amounts of such Professional Fee Claims after notice and a hearing in accordance with the procedures established by the Bankruptcy Code, Bankruptcy Rules, and prior Bankruptcy Court orders. Only the amount of fees and expenses allowed by the Bankruptcy Court will be required to be paid under the Plan. Professionals who have been employed in this case are not being deemed to have agreed that the figures contained herein represent any ceiling on the amount of fees and expenses that they have incurred or are entitled to seek to be paid pursuant to Bankruptcy Court order as such fees and expenses are just estimates provided at the time of the preparation of the Plan.

c. Priority Tax Claims

Priority Tax Claims include certain unsecured income, employment, and other taxes described by 11 U.S.C. § 507(a)(8). The Bankruptcy Code requires that each Holder of a Priority Tax Claim (whether secured or unsecured) must receive the present value of such claim in regular installment payments in cash (i) of a total value, as of the Effective Date of the Plan, equal to the allowed amount of such claim; (ii) over a period ending not later than five years after the Petition Date; and (iii) in a manner not less favorable than the most favored non-priority unsecured claim provided for under the Plan.

Except to the extent that a Holder of an Allowed Priority Tax Claim and the Plan Proponents or the Liquidating Trustee agree to a less favorable treatment for such Holder, in full and final satisfaction, settlement, and release of and in exchange for each Allowed Priority Tax Claim, each Holder of such Allowed Priority Tax Claim shall be treated in accordance with the terms set forth in § 1129(a)(9)(C) of the Bankruptcy Code and, for the avoidance of doubt, Holders of Allowed Priority Tax Claims will receive interest on such Allowed Priority Tax Claims after the Effective Date in accordance with §§ 511 and 1129(a)(9)(C) of the Bankruptcy Code. All Allowed Priority Tax Claims will be paid as set forth in the below chart. The Plan Proponents reserve all rights to object to any alleged Priority Tax Claims. The following chart lists all known § 507(a)(8) Priority Tax Claims and their treatment under the Plan: The chart is based on the filed claims in this case. Trustee shall either reserve sufficient funds in the Estate to make such payments or the Liquidating Trust shall be liable to make such payments as they become due if Trustee funds all estate assets into the Trust. Classification of Claims and Interests

Except for the Claims addressed in Section III.B of the Plan, all Claims and Interests are classified in the Classes set forth in Section III.C of the Plan for all purposes, including voting, Confirmation, and distributions pursuant to the Plan and in accordance with §§ 1122 and 1123(a)(1) of the Bankruptcy Code. A Claim or an Interest is classified in a particular Class only to the extent that such Claim or Interest qualifies within the description of that Class and is classified in other Classes to the extent that any portion of such Claim or Interest qualifies within the description of such other Classes. A Claim or Interest also is classified in a particular Class for the purpose of receiving distributions under the Plan only to the extent that such Claim or Interest is an Allowed Claim or Allowed Interest in that Class and has not been paid, released, or otherwise satisfied prior to the Effective Date.

The classification of Claims and Interests against the Debtor pursuant to the Plan is as set

forth below:

Class	Claim / Interest	Status	Voting Rights
1	Secured Claims	Impaired	Entitled to Vote
2	Other Priority Claims	Unimpaired	Not Entitled to Vote (Presumed to Accept)
3	General Unsecured Claims	Impaired	Entitled to Vote
4	Subordinated Claims	Impaired	Not Entitled to Vote (Deemed to Reject under § 1126(g) of the Bankruptcy Code)
5	Equity Interests	Impaired	Not Entitled to Vote (Deemed to Reject under § 1126(g) of the Bankruptcy Code)

b. **Treatment of Claims and Interests**

Subject to Section III.C. of the Plan, each Holder of an Allowed Claim or Allowed Interest, as applicable, shall receive under the Plan the treatment described below in full and final satisfaction, compromise, settlement, and release of, and in exchange for, such Holder's Allowed Claim or Allowed Interest, except to the extent less favorable treatment is agreed to by the Plan Proponents, or the Liquidating Trustee, as applicable, and the Holder of such Allowed Claim or Allowed Interest, as applicable.

The Classes below classify Claims (except for unclassified claims such as Administrative Claims and Priority Tax Claims) against the Estate for all purposes, including voting, confirmation, and distribution pursuant to the Plan.

Class 1 - Classes of Secured Claims c.

Secured claims are claims that are secured by Liens on property of the Estate. The following chart sets forth the description and treatment of Secured Claims.

The Secured Claims are subject to substantial dispute. The Plan Proponents have objected, or intend to object, to the validity, priority, perfection, and/or amount of some or all of the Secured Claims on various grounds including, but not limited to, that the Liens purporting to secure the Secured Claims are avoidable under 11 U.S.C. §§ 544, 547, 548, 549, 550, 551, 552, and/or 553, or

applicable nonbankruptcy law, or subject to subordination under 11 U.S.C. §§ 510(b) and/or 510(c). To the extent that the Trustee, the Committee, or Liquidating Trustee files an adversary proceeding and successfully avoids, recovers, and preserves any Lien held by any Holder of a Secured Claim, the Estate or Liquidating Trust shall be entitled to rights otherwise afforded the Holders of such 5 Claims as described below. Additionally, the Plan Proponents have objected, or intend to object, to the amount of some or all of the Secured Claims on various grounds, pursuant to Bankruptcy Rule 3012. In addition, the Plan Proponents believe that some or all of the Secured Claims, to the extent Allowed, are subject to disallowance and/or setoff under 11 U.S.C. §§ 502(d) and 553. Holders of Allowed Secured Claims, following entry of a Final Order Allowing such Secured Claim (or any portion thereof), will be entitled to the treatment specified by the Plan with respect to any Allowed 11 amount of such Secured Claim, if any. 12 The Plan sets forth the asserted amount of Secured Claims set forth in corresponding Proofs 13 of Claim or estimates the amount of the Secured Claim where no Proof of Claim is filed. The Plan does not treat as Holders of Secured Claims certain parties that filed UCC-1 financing statements 15 prepetition and whose claim is estimated in the amount of \$0.00, pursuant to the Court's ruling on 16 that certain motion filed by the Trustee, pursuant to Bankruptcy Rule 3012. Pursuant to the 17 foregoing ruling, the Court has authorized the Trustee to file UCC-3 termination statements with 18 respect to such UCC-1 financing statements, and, as such, any claim is not treated in the Plan as a 19 Secured Claim. In other instances, the Plan estimates certain Secured Claims at \$0.00 to the extent 20 that the Holders of such Secured Claims have filed UCC-1 financing statements but have neither

General Unsecured Claims are not entitled to priority under § 507(a) of the Bankruptcy Code.

The following charts identify the Plan's treatment of the classes containing the General Unsecured Claims.

While there may be a recovery for Holders of Allowed General Unsecured Claims, it is not possible at this time to estimate the ultimate recovery for such Holders based, in part, on the extent

- i. To resolve any and all disputes regarding the operation, interpretation, or enforcement of the Plan (including Plan Supplements), Confirmation Order, and Liquidating Trust Agreement;
- ii. To determine the allowability, classification, or priority of Claims upon objection by the Trustee, the Liquidating Trustee, or any other parties in interest with standing to bring such objection or proceeding and to consider any objection to claim whether such objection is filed before or after the Effective Date;

injunctions, to take such other actions or make such other orders as may be necessary or appropriate to restrain interference with the Plan or the Confirmation Order, or the execution or implementation by any person or entity of the Plan or the Confirmation Order;

- To issue such orders in aid of consummation of the Plan or the Confirmation Order, xii. notwithstanding any otherwise applicable nonbankruptcy law, with respect to any person or entity, to the fullest extent authorized by the Bankruptcy Code or Bankruptcy Rules; and
 - To enter a final decree closing this Bankruptcy Case. xiii.
- xiv. To interpret and enforce the terms of the Plan, the Plan Supplement, the Confirmation Order, the Liquidating Trust Agreement, and such other pleadings, documents and exhibits related to the Plan.
- To determine such other matters and for such other purposes as may be provided in XV. the Confirmation Order.

16. **Reservation of Rights**

Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the Assumed Executory Contracts and Unexpired Leases Schedule, nor anything contained in the Plan, shall constitute an admission by the Plan Proponents or the Liquidating Trustee that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that the Debtor or the Estate has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Plan Proponents or the Liquidating Trustee shall have thirty (30) days following entry of a Final Order resolving such dispute to alter its treatment of such contract or lease under the Plan.

C. **Effect of Confirmation of the Plan**

1. **Discharge**

The Debtor will not receive a discharge under the Plan pursuant to and in accordance with the provisions of § 1141 of the Bankruptcy Code because the Plan contemplates and will result in a sale or liquidation of all or substantially all of the property of the Debtor's Estate.

All Property of the Estate will remain Property of the Estate and/or the Liquidating Trust free and clear of all claims and interests except as provided in the Plan. No Estate assets shall revert to the Debtor as a result of confirmation. The Liquidating Trustee shall be the entity responsible for carrying out the terms of the Plan and to comply with any orders of the Court regarding the Plan or the assets of the Estate, subject to the terms of the Liquidating Trust Agreement and the Confirmation Order.

3. No Liability for Solicitation or Participation

As specified in § 1125(e) of the Bankruptcy Code, persons that solicit acceptances or rejections of the Plan and/or that participate in the offer, issuance, sale, or purchase of securities offered or sold under the Plan, in good faith and in compliance with the applicable provisions of the Bankruptcy Code, shall not be liable on account of such solicitation or participation, for violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or the offer, issuance, sale, or purchase of securities.

4. **Exculpation; Limitation of Liability**

To the maximum extent permitted by law, neither the Trustee, the Liquidating Trustee, the Estate, the Committee, the Post-Confirmation Oversight Committee, nor any of their employees, officers, directors, shareholders, agents, members, representatives, or the professionals employed or retained by any of them, whether or not by Court order shall have or incur liability to any person or entity for an act taken or omission made in good faith in connection with or related to the formulation and implementation of the Plan, the Disclosure Statement, or a contract, instrument, release, or other agreement or document created in connection therewith, the solicitation of acceptances for or confirmation of the Plan, or the consummation and implementation of the Plan and the transactions contemplated therein-; provided, however, that the foregoing exculpation shall not extend to any act or omission constituting fraud, willful misconduct, or gross negligence by the foregoing parties. Each of the exculpated persons set forth in this Section shall in all respects be entitled to reasonably rely on the advice of counsel with respect to its duties and responsibilities under the Plan. Notwithstanding the foregoing, nothing contained in the Plan shall effectuate an exculpation, release, or injunction in

favor of the Debtor's employees, officers, directors, shareholders, agents, members, representatives, Affiliates, alter egos, or the professionals employed or retained by any of them, and all rights and Causes of Action held by the Estate against any of the foregoing are expressly preserved by the Plan.

After confirmation of the Plan, the Liquidating Trust shall retain all rights to continue, commence and pursue, as appropriate, any and all claims or Causes of Action, including those identified in the Plan Supplement, and objections to Claims, whether arising before or after the date on which the Debtor filed its petition, in any court or other tribunal including, without limitation, in an adversary proceeding filed in the Bankruptcy Case. The failure to list any potential or existing claims or causes of action shall not limit the rights of the Liquidating Trustee to pursue any claims or causes of action not listed or identified. After the Effective Date, the Liquidating Trustee shall have the absolute authority to prosecute, waive, adjust, or settle any and claims, including all Causes of Action, without the need for approval by the Court, subject to the terms of the Liquidating Trust Agreement.

Unless a claim or Cause of Action against a creditor or other entity is expressly waived, relinquished, released, compromised, or settled in the Plan or any other Final Order of the Court, the Estate expressly reserves such claim or Cause of Action for later adjudication (including, without limitation, claims and causes of action not specifically identified or which the Debtor or its Estate may presently be unaware or which may arise or exist by reason of additional facts or circumstances unknown to the Plan Proponents, or the Estate at this time or facts or circumstances which may change or be different from those which the Plan Proponents or the Estate now believe to exist). No preclusion doctrine, including, without limitation, the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, waiver, estoppel (judicial, equitable, or otherwise) or laches shall apply to such claims, or Causes of Action upon or after the confirmation or consummation of the Plan based on the Disclosure Statement, the Confirmation Order, except where such claims and Causes of Action have been explicitly released in the Plan. In addition, the Liquidating Trust, and the Estate expressly reserve the right to pursue or adopt any claims alleged in any lawsuit in which the Debtor

is a defendant or an interested party, against any person or entity, including without limitation, the plaintiff or co-defendant in such lawsuits.

Delivery (by any means) of the Plan or the Disclosure Statement approved by the Court to any person whom the Debtor and/or Estate has incurred an obligation, or who has received a transfer of money or property of the Debtor, or who has transacted business with the Debtor or the Estate shall constitute actual notice that such obligation, transfer, or transaction may be reviewed by the Trustee subsequent to the approval by the Court of the Plan and may, if appropriate, be the subject of an action after the approval by the Court of the Plan, whether or not (i) such person has field a proof of claim in this Case; (ii) such person's proof of claim has been the subject of an objection; (iii) such person's claim was included in the schedules; or (iv) such person's scheduled claim has been identified by the Trustee as disputed, contingent, or unliquidated.

6. <u>Modification of the Plan</u>

The Plan Proponents may modify the Plan at any time before confirmation. However, the Bankruptcy Court may require a new disclosure statement and/or re-voting on the Plan if the Plan Proponents materially modifies the Plan before confirmation. The Liquidating Trustee may seek to modify the Plan at any time after confirmation of the Plan so long as (1) the Plan has not been substantially consummated, (2) such modification is approved by the Post-Confirmation Oversight Committee, or (3) the Bankruptcy Court authorizes the proposed modifications after notice and a hearing.

7. Post-Confirmation Status Reports

Within 120 days of the entry of the order confirming the Plan, the Liquidating Trustee shall file a status report with the Court explaining what progress has been made toward consummation of the confirmed Plan. The status report shall be served on the United States Trustee and those parties who have requested special notice. Further status reports shall be filed approximately every four months and served on the same parties until entry of a final decree or otherwise ordered by the Court.

8. <u>Post-Confirmation U.S. Trustee</u> Fees

The risk factors with respect to the Plan include, but are not limited to, the following: (1) the 8 financial projections set forth in the Disclosure Statement may not be realized thereby causing inability to make Plan payments; (2) the uncertainty associated with the "earn-out" under the Sale Transaction; (3) the risk of business and/or economic downturn; (4) the costs and uncertainty of potential litigation; and (5) non-bankruptcy law regulations.

10. Tax Consequences of the Plan

THE FOLLOWING IS INTENDED TO BE ONLY A SUMMARY OF SELECTED FEDERAL AND STATE INCOME TAX CONSEQUENCES OF THE PLAN AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING WITH, AND RECEIPT OF TAX ADVICE 16 FROM, A TAX PROFESSIONAL. THE SELECTED FEDERAL AND STATE TAX CONSEQUENCES THAT ARE DESCRIBED HEREIN AND OTHER FEDERAL, STATE AND 18 LOCAL TAX CONSEQUENCES THAT ARE NOT ADDRESSED HEREIN ARE COMPLEX AND, IN SOME CASES, UNCERTAIN. SUCH TAX CONSEQUENCES MAY ALSO VARY 20 BASED ON THE INDIVIDUAL CIRCUMSTANCES OF EACH HOLDER OF AN ALLOWED CLAIM OR EQUITY INTEREST. ACCORDINGLY, EACH HOLDER OF AN ALLOWED 22 CLAIM OR EQUITY INTEREST IS STRONGLY ADVISED TO CONSULT WITH ITS OWN TAX ADVISOR REGARDING THE FEDERAL, STATE AND LOCAL TAX CONSEQUENCES 24 OF THE PLAN. THE BELOW SUMMARY OF TAX CONSEQUENCES IS NOT INTENDED TO BE AND IS NOT TAX ADVICE. THE DEBTORS DO NOT INTEND TO REQUEST A TAX 26 RULING FROM THE INTERNAL REVENUE SERVICE OR ANY OTHER TAXING AUTHORITY WITH RESPECT TO ANY OF THE TAX CONSEQUENCES OF THE PLAN.

CONSEQUENTLY, THE INTERNAL REVENUE SERVICE OR ANOTHER TAXING AUTHORITY MAY DISAGREE WITH AND MAY CONTEST ONE OR MORE OF THE TAX CONSEQUENCES DESCRIBED HEREIN TO THE DEBTOR, HOLDERS OF CLAIMS AND HOLDERS OF INTERESTS.

a. Federal Income Tax Consequences to Certain Creditors

i. <u>In General</u>

Generally, a Holder of a Claim should in most, but not all circumstances, recognize gain or loss equal to the difference between the "amount realized" by such Holder in exchange for its Claim and such Holder's adjusted tax basis in the Claim. The "amount realized" is equal to the sum of the cash and the fair market value of any other consideration received under a plan in respect of a Holder's Claim. The tax basis of a Holder in a Claim will generally be equal to the Holder's cost therefor. To the extent applicable, the character of any recognized gain or loss (e.g., ordinary income, or short-term or long-term capital gain or loss) will depend upon the status of the Holder, the nature of the Claim in the Holder's hands, the purpose and circumstances of its acquisition, the Holder's holding period of the Claim, and the extent to which the Holder previously claimed a deduction for the worthlessness of all or a portion of the Claim. Generally, if the Claim is a capital asset in the Holder's hands, any gain or loss realized will generally be characterized as capital gain or loss, and will constitute long-term capital gain or loss if the Holder has held such Claim for more than one year.

A creditor who received Cash in satisfaction of its Claims may recognize ordinary income or loss to the extent that any portion of such consideration is characterized as accrued interest. A creditor who did not previously include in income accrued but unpaid interest attributable to its Claim, and who receives a distribution on account of its Claim pursuant to the Plan, will be treated as having received interest income to the extent that any consideration received is characterized for U.S. federal income tax purposes as interest, regardless of whether such creditor realizes an overall gain or loss as a result of surrendering its Claim. A creditor who previously included in its income accrued but unpaid interest attributable to its Claim should recognize an ordinary loss to the extent that such accrued but unpaid interest is not satisfied, regardless of whether such creditor realizes an overall

gain or loss as a result of the distribution it may receive under the Plan on account of its Claim.

Under the Plan, the Holders of certain Claims will likely receive only a partial distribution of their Allowed Claims. As discussed herein, Holders of Allowed General Unsecured Claims will receive respective Trust Beneficial Interests, which is discussed further below. Whether the applicable Holder of such Claims will recognize a loss or any other tax treatment will depend upon facts and circumstances that are specific to the nature of the Holder and its Claims. Creditors should consult their own tax advisors.

ii. Non-United States Persons

A Holder of a Claim that is a Non-U.S. Person generally will not be subject to U.S. federal income tax with respect to property (including money) received in exchange for such Claim pursuant to the Plan, unless (i) such Holder is engaged in a trade or business in the United States to which income, gain or loss from the exchange is "effectively connected" for United States federal income tax purposes, or (ii) if such Holder is an individual, such Holder is present in the United States for 183 days or more during the taxable year of the exchange and certain other requirements are met.

iii. <u>Tax Consequences in Relation to the Liquidating Trust</u>

As of the Effective Date, the Liquidating Trust will be established for the benefit of the Holders of Allowed General Unsecured Claims. The tax consequences of the Plan in relation to the Liquidating Trust and the Trust Beneficiaries are subject to uncertainties due to the complexity of the Plan and the lack of interpretative authority regarding certain changes in the tax law.

Allocations of taxable income of the Liquidating Trust (other than taxable income allocable to the Liquidating Trust's claims reserves) among holders of Claims will be determined by reference to the manner in which an amount of cash equal to such taxable income would be distributed (were such cash permitted to be distributed at such time) if, immediately prior to such deemed distribution, the Liquidating Trust had distributed all of its assets (valued at their tax book value) to the Trust Beneficiaries, adjusted for prior taxable income and loss and taking into account all prior and concurrent distributions from the Liquidating Trust. Similarly, taxable loss of the Liquidating Trust will be allocated by reference to the manner in which an economic loss would be borne immediately

after a liquidating distribution of the remaining trust assets.

The tax book value of the trust assets for this purpose will equal their fair market value on the Effective Date, adjusted in accordance with tax accounting principles prescribed by the Tax Code, applicable Treasury Regulations, and other applicable administrative and judicia authorities and pronouncements. Uncertainties with regard to federal income tax consequences of the Plan may arise due to the inherent nature of estimates of value that will impact tax liability determinations.

Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the receipt of an IRS private letter ruling if the Liquidating Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Liquidating Trustee), the Liquidating Trustee may (a) elect to treat any trust assets allocable to, or retained on account of, Disputed Claims as a "disputed ownership fund" governed by Treasury Regulation Section 1.468B-9, and (b) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. Accordingly, any reserve for Disputed Claims will be subject to tax annually on a separate entity basis on any net income earned with respect to the trust assets in such reserves, and all distributions from such reserves will be treated as received by holders in respect of their Claims as if distributed by the Debtor. All parties (including, without limitation, the Liquidating Trustee and the holders of beneficial interests in the Liquidating Trust) will be required to report for tax purposes consistently with the foregoing.

The Liquidating Trust is intended to qualify as a liquidating trust for federal income tax purposes. In general, a liquidating trust is not a separate taxable entity but rather is treated for federal income tax purposes as a "grantor" trust (i.e., a pass-through entity). The IRS, in Revenue Procedure 94-45, 1994.28 I.R.B. 124, set forth the general criteria for obtaining an IRS ruling as to the grantor trust status of a liquidating trust under a chapter 11 plan. The Liquidating Trust has been structured with the intention of complying with such general criteria. Pursuant to the Plan and Liquidating Trust Agreement, and in conformity with Revenue Procedure 94-45, *supra*, all parties (including the Liquidating Trust as a grantor trust of which the holders of the applicable Allowed Claims are the

owners and grantors. While the following discussion assumes that the Liquidating Trust would be so treated for federal income tax purposes, no ruling has been requested from the IRS concerning the tax status of the Liquidating Trust as a grantor trust. Accordingly, there can be no assurance that the IRS would not take a contrary position to the classification of the Liquidating Trust as a grantor trust. If the IRS were to challenge successfully such classification, the federal income tax consequences to the Liquidating Trust and the beneficiaries thereof could materially vary from those discussed herein.

In general, each creditor who is a beneficiary of the Liquidating Trust will recognize gain or loss in an amount equal to the difference between (i) the "amount realized" by such Trust Beneficiary in satisfaction of its applicable Allowed Claim, and (ii) such Trust Beneficiary's adjusted tax basis in such Claim. The "amount realized" by a Trust Beneficiary will equal the sum of Cash and the aggregate fair market value of the property received by such party pursuant to the Plan (such as a Trust Beneficiary's undivided beneficial interest in the assets transferred to the Liquidating Trust). Where gain or loss is recognized by a beneficiary in respect of its Allowed Claim, the character of such gain or loss (i.e., long-term or short-term capital, or ordinary income) will be determined by a number of factors including the tax status of the party, whether the Claim constituted a capital asset in the hands of the party and how long it had been held, whether the Claim was originally issued at a discount or acquired at a market discount and whether and to what extent the party had previously claimed a bad debt deduction in respect of the Claim.

After the Effective Date, any amount that a creditor receives as a distribution from the Liquidating Trust in respect of its Trust Beneficial Interest should not be included, for federal income tax purposes, in the party's amount realized in respect of its Allowed Claim, but should be separately treated as a distribution received in respect of such party's Trust Beneficial Interest.

In general, a beneficiary's aggregate tax basis in its undivided beneficial interest in the assets transferred to the Liquidating Trust will equal the fair market value of such undivided beneficial interest as of the Effective Date and the Trust Beneficiary's holding period in such assets will begin the day following the Effective Date. Distributions to any Trust Beneficiary will be allocated first to the original principal portion of the Trust Beneficiary's Allowed Claim as determined for federal tax

purposes, and then, to the extent the consideration exceeds such amount, to the remainder of such Claim. However, there is no assurance that the IRS will respect such allocation for federal income tax purposes.

For all federal income tax purposes, all parties (including the Liquidating Trustee and the Trust Beneficiaries) will treat the transfer of assets to the Liquidating Trust, in accordance with the terms of the Plan and Liquidating Trust Agreement, as a transfer of those assets directly to the Holders of the applicable Allowed Claims followed by the transfer of such assets by such Holders to the Liquidating Trust. Consistent therewith, all parties will treat the Liquidating Trust as a grantor trust of which such Holders are to be owners and grantors. Thus, such Holders (and any subsequent Trust Beneficiaries) will be treated as the direct owners of an undivided beneficial interest in the assets of the Liquidating Trust for all federal income tax purposes. Accordingly, each holder of a Trust Beneficial Interest will be required to report on its federal income tax return(s) the Holder's allocable share of all income, gain, loss, deduction or credit recognized or incurred by the Liquidating Trust.

The Liquidating Trust's taxable income will be allocated to the Trust Beneficiaries in accordance with each such Holder's Pro Rata share. The character of items of income, deduction and credit to any Holder and the ability of such Holder to benefit from any deductions or losses may depend on the particular situation of such Holder.

The federal income tax reporting obligation of a Trust Beneficiary is not dependent upon the Liquidating Trust distributing any cash or other proceeds. Therefore, a Trust Beneficiary may incur a federal income tax liability regardless of the fact that the Liquidating Trust has not made, or will not make, any concurrent or subsequent distributions to the Holder. If a Holder incurs a federal tax liability but does not receive distributions commensurate with the taxable income allocated to it in respect of its Trust Beneficial Interests, the Holder may be allowed a subsequent or offsetting loss.

The Liquidating Trustee will file with the IRS returns for the Liquidating Trust as a grantor trust pursuant to Treasury Regulations Section 1.671-4(a). The Liquidating Trust will also send to each Trust Beneficiary a separate statement setting forth the Holder's share of items of income, gain, loss, deduction or credit and will instruct the Holder to report such items on its federal income tax

return. For the avoidance of doubt, the Liquidating Trustee shall file with the IRS and other taxing authorities all outstanding and final returns for the Debtor.

Events subsequent to the date of this Disclosure Statement, such as the enactment of additional tax legislation, could also change the federal income tax consequences of the Plan and the transactions contemplated thereunder.

iv. <u>Information Reporting and Withholding Backup</u>

Distributions pursuant to the Plan will be subject to any applicable federal income tax reporting and withholding. The IRC imposes "backup withholding" on certain "reportable" payments to certain taxpayers, including payments of interest. Under the IRC's backup withholding rules, a holder of a Claim may be subject to backup withholding with respect to distributions or payments made pursuant to the Plan, unless the Holder (a) comes within certain exempt categories (which generally include corporations) and, when required, demonstrates this fact or (b) provides a correct taxpayer identification number and certifies under penalty of perjury that the taxpayer identification number is correct and that the taxpayer is not subject to backup withholding because of a failure to report all dividend and interest income. Backup withholding is not an additional federal income tax, but merely an advance payment that may be refunded to the extent it results in an overpayment of income tax. A Holder of a Claim may be required to establish an exemption from backup withholding or to make arrangements with respect to the payment of backup withholding.

THE FOREGOING SUMMARY HAS BEEN PROVIDED FOR INFORMATIONAL PURPOSES ONLY. ALL HOLDERS OF CLAIMS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS CONCERNING THE FEDERAL, STATE, LOCAL AND OTHER TAX CONSEQUENCES APPLICABLE UNDER THE PLAN.

11. <u>Final Decree</u>

Once this Estate has been fully administered, as referred to in Bankruptcy Rule 3022, the Trustee or Liquidating Trustee will file a motion with the Bankruptcy Court to obtain a final decree to close the Bankruptcy Case.

With respect to each Impaired Class of Claims and Equity Interests, the Bankruptcy Code requires that each Holder of an Impaired Claim or Equity Interest either (i) accepts the Plan, or (ii) receives or retains under the Plan property of a value, as of the Effective Date of the Plan, that is not less than the value such Holder would receive or retain if the Debtor was liquidated under chapter 7 of the Bankruptcy Code. This analysis requires the Bankruptcy Court to determine what the Holders of Allowed Claims or Equity Interests in each Impaired Class would receive from the liquidation of the Debtors' Assets in the context of a chapter 7 liquidation case.

The liquidation analysis (the "Liquidation Analysis") of the Debtor, as prepared by the Plan Proponents, will be filed as a supplement to this Disclosure Statement. As reflected in the Liquidation Analysis, if the Bankruptcy Case was converted to a case under chapter 7 of the Bankruptcy Code, liquidation under chapter 7 would result in the incurrence of administrative costs in excess of those to be incurred under the Plan because a chapter 7 trustee that would be appointed in the Bankruptcy Case would likely seek to retain counsel and potentially other professionals that are completely unfamiliar with the Debtor, the significant complexities of this Bankruptcy Case and the pending litigation, and remaining assets and liabilities. The appointment of another group of professionals at this stage of the Bankruptcy Case, in addition to the Professionals in the bankruptcy Case, would increase administrative claims including additional professional fees. Also, a new time period for the filing of Claims would commence under FRBP 1019(2), possibly resulting in the filing of additional Claims against the Estate. Conversion of the Bankruptcy Case to a case under chapter 7, and the appointment of a trustee, for administration of the Estate could also delay the prosecution of Causes of Action and the distributions to creditors while the chapter 7 trustee and new professionals familiarize themselves with the Bankruptcy Case and Causes of Action.

On the other hand, under the Plan, the Debtor contemplates an orderly administration and winding down of the Estate by parties that are already familiar with the Debtor, its assets, and the

Debtor's creditors and liabilities. Such familiarity will allow the Liquidating Trust to complete liquidation of the assets and distribute the proceeds to creditors more efficiently and expeditiously than a chapter 7, while maximizing the value of the assets for the benefit of creditors. In chapter 7 liquidation, therefore, it is highly likely that there would be less money available for distribution to certain Holders of Allowed Claims than under the Plan.

B. <u>Feasibility</u>

The Plan cannot be confirmed unless the Court finds that it is "feasible." In general, there are two elements of feasibility. The first element is whether there will be sufficient funds to make distributions required to be made on the Effective Date, or as soon thereafter as is practicable, including to Holders of Allowed Secured Claims, Allowed Administrative Claims, and Allowed Priority Claims. Based upon the Estate holding over \$12.7 million in Cash (projected as of the Effective Date) and the estimated amounts of Allowed Secured Claims, Allowed Administrative Claims, and Allowed Priority Claims, which total approximately \$11.8 million, the Debtors believe that the Estate will have sufficient funds to meet this element of feasibility.

Further, the Bankruptcy Code requires that confirmation of a plan is not likely to be followed by the liquidation or the need for further financial reorganization of a debtor, unless such liquidation or reorganization is proposed in such plan. Here, the Plan contemplates that all Assets ultimately will be liquidated, sold, transferred, abandoned, or otherwise disposed of, and all proceeds of the Assets will be utilized to pay creditors. Since no further financial reorganization of the Debtor will be possible or is contemplated and the liquidation of the Debtor is provided for in the Plan, the Plan satisfies this element of feasibility as well.

Based on the foregoing, the Plan Proponents believe that the Plan is feasible.

C. <u>Confirmation Request</u>

In the event that all of the applicable requirements of § 1129(a) are met other than § 1129(a)(8), if applicable, the Plan Proponents request confirmation of the Plan notwithstanding the requirements of such paragraph under § 1129(b). If and to the extent applicable, the Plan Proponents will provide further support for Confirmation of the Plan under the "cram down" provisions of
